'Stardust' Dance Tops Homecoming Events

Weeks of planning, hours of work, and days of practice for the marching band were all a part of this year's homecoming. Clubs and organizations worked for weeks preceding the homecoming to decorate floats and cars for the parade, which conveyed the theme of the homecoming, "Flying High." The homecoming queens, nominated by varsity and sophomore players, were elected by the student body; and a coronation was held the week before the homecoming.

The parade, consisting of 15 decorated floats and 30 cars, wound its way along the parade route, where hundreds of people had gathered to watch it despite the dark dreary day. The spirit of the fans at the game was not dampened by the weather; however, our Mustangs were not able to overcome the might of the Evanston Wildkits and were defeated.

Later that night 215 couples attended the homecoming dance, "Stardust," sponsored by the MSGA Social Committee. The couples danced to the music of the Enchantments. Unlike last year's dance refreshments were served in the cafe, and tables were set up to give a nightclub effect.

Student Volunteer Service was awarded first place in the float competition.

Summer School Has Over 2,700 Students

Despite the extreme heat of the summer months, the total summer school registration was over 2,700. This is an increase of over 2,000 students in the summer school program since 1956. The courses offered to the students included almost all the high school classes offered during the regular school year. All of these courses were given at the East building except art workshop, auto mechanics, theater workshop, photography, and swimming, which were given at the West building.

Morton East students made up 43.5% of the total summer school enrollment while 40.0% were from Morton West and the remaining 16.5% were from other schools.

Repeating subjects failed, making up or earning additional credits, and working for personal betterment were some of the reasons for students to attend summer school. As was true in previous years, more boys than girls were in summer school to make up failures. Most enrichment students were girls.

Printing is now offered as a summer school course.

Mr. Wintering discusses an aspect of American history with his students.

Practical courses, such as sewing, are offered to women of all ages.

Shortage of Parking Faces Night Students

This year 142 classes were offered to the 2,022 students enrolled in night school. The college classes and some high school classes run for 16 weeks. Shorthand, typing, and the shop classes meet for 12 weeks each semester. Non-credit courses vary in the number of weeks they meet.

The greatest single problem facing the participants in night school this year was the severe shortage of parking space near the school.

The reasons for attending night school vary. It may be to earn a junior college degree, to complete high school, to strive for personal enrichment, or to help increase job efficiency.

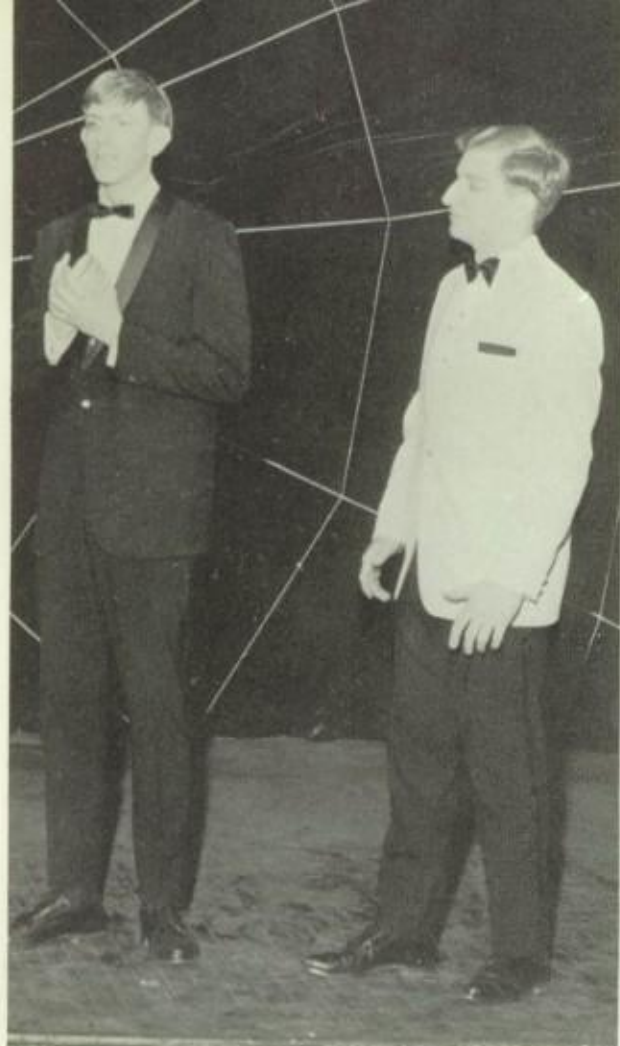

Deep thinking and intense interest prevail in this night school classroom.

Night school students learn about the skeletal system.

Many hours of practice are requirements in achieving grace and timing in dance.

Drama Department Presents 'Little Me'

Morton students interested in dramatics were given several chances to display their talents in the plays presented this year.

Little Me was the story of a young girl named Belle and her climb to fame, fortune, and social position. The play, which was the fall musical, starred Charlotte Luporini, Josephine Paoletti, Joe Mantegna, and Larry Baldacci. It was presented at Morton West.

Other plays presented this year included **Little Mary Sunshine** and **Antigone**. **Antigone** was the story of Antigone, the daughter of Oedipus, who dared to defy King Creon when he forbade the burial of her brother. Spider webs played an important part of the play's stage symbolism, with Creon depicted as the spider and Antigone as the fly.

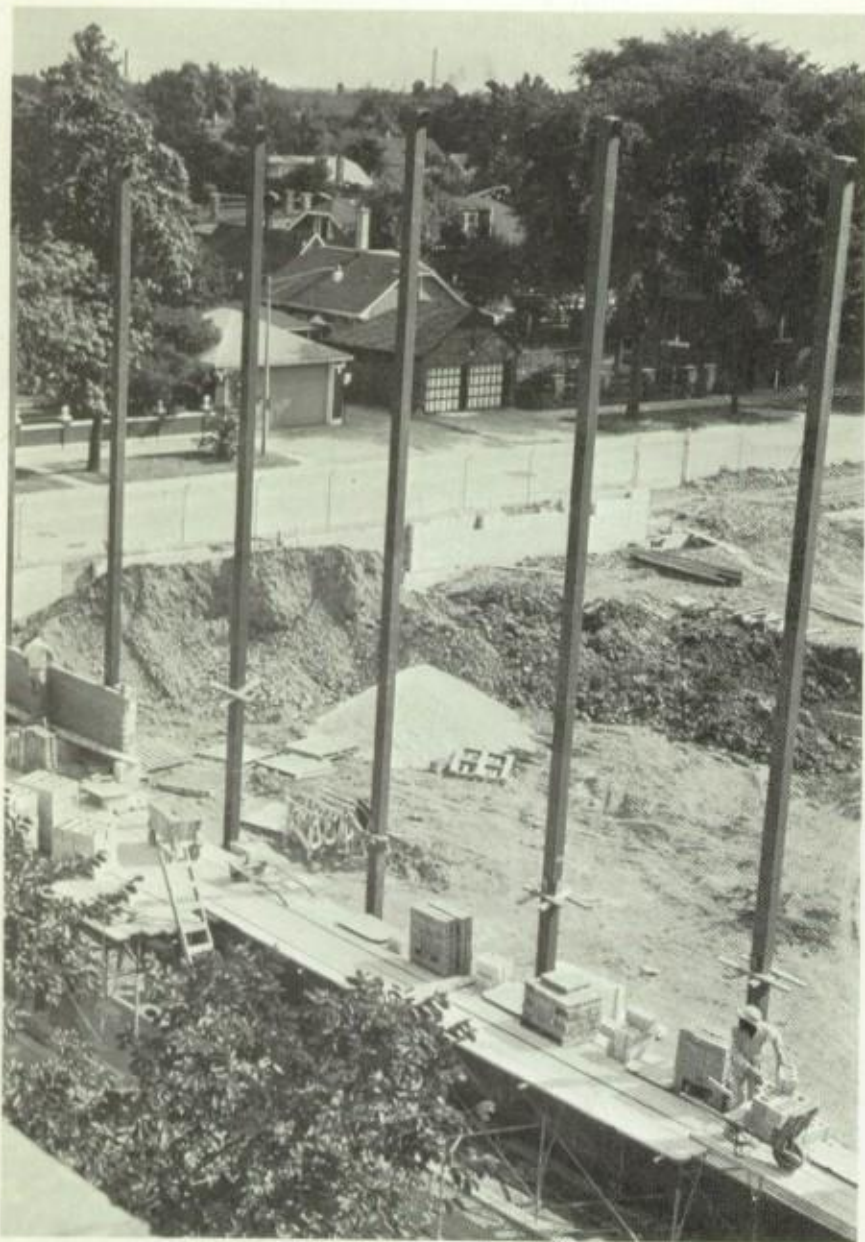

The modern dance program brought to life the magic world of gimmicks and deceptions, marriages and love. One of the highlights of the program was "The House of Bernarda Alba" choreographed by Karen Savage. Also featured was a gimmick dance about scotch tape.

The modern dance program displayed dance techniques.

New Additions Offer Increased Facilities

Official ground-breaking ceremonies for the new athletic facilities were held on March 25, 1966. When completed, the new facilities will include a fieldhouse with a tenth of a mile indoor track; a basketball court which will accommodate 3,400 spectators; a 75-foot, six-lane swimming pool with stands to seat 500 spectators; a wrestling room; creative dance room; girls' gym; modified girls' PE room; shower and locker room facilities; and five classrooms. Already completed are two football fields and a baseball field.

All of the physical education offices will be moved into the new building upon its completion. Also, with the completion of the facilities, new equipment, such as ropes, rings, and stall bars, will be installed in the building.

The athletic facilities begin to take shape as the days progress.

Stacks of books stand waiting for distribution in the cafeteria.

Over 3,300 Students Register for '66-'67

Over the six days of registration 883 freshmen, 887 sophomores, 799 juniors, and 769 seniors were enrolled in Morton High School for a total of 3,338 students for the school year of 1966-1967.

This year, for the first time, individual pictures for identification cards were taken of all students on the day on which they registered. The pictures were taken on the stage by a professional photographer. Shortly after returning to classes in the fall, the students received the new plastic identification cards.

With the aid of student workers and office help, the registration of students was conducted smoothly and without any major difficulties.

Varied Events Held Throughout Year

Days and nights of special activities and events fill every school year, and this year was no different from any other.

For the first time this year, senior girls' gym classes went bowling once a week to the Palace Bowl, where they received lessons in bowling techniques. Throughout the year there were other special events, such as Book Week in the library, a modern dance program, open house for parents for high school students, and College Night for college-bound seniors. Fieldtrips to museums, radio stations, and many other places gave the students increased learning opportunities.

One of the biggest events of the year was the snowfall of over 26 inches which resulted in the closing of school for two days and the shortening of school days for more than a week.

MSGA, Pop Groups Present Teen Concert

Unlike last year's folk concert, this year's concert featured popular rock groups. As the audience filed in, the Wild, a local group, played several songs. At 7:30 the house lights dimmed to black and an off-stage voice introduced the Apocryphals. The Apocryphals have done quite well since their beginning a few years ago. The group consists of Joe Mantegna, Chris Mantegna, Neal Sordelli, and Tom Massari.

Following the Apocryphals and a short intermission the off-stage voice introduced the Cryan' Shames. The Shames, who also had their start in Chicago, have continued to grow in popularity since the release of their first record, "Sugar and Spice." The group features J. C. Hooke; Thomas Doody, known as Toad; Dave Purple, known as Grape; Jim Fairs; and Dennis Conroy. The concert came to its climax with the introduction of the Robbs, who reached nation-wide fame with their regular appearance on the Dick Clark television show, "Where the Action Is." The Robbs consist of Bruce, Dee, and Joey Robb, all brothers, and their cousin Craig Robb.

Before the concert the Shames discuss songs they will use in their act.

J. C. Hooke's lively act added excitement to the concert.

The Cryan' Shames open with the hit song, "Sugar and Spice."

Backstage, girls who danced in the concert received autographs from a Robb.

'Mystic Isle' Theme At Upperclass Prom

Willowbrook Ballroom was transformed into a 'Mystic Isle' for the Junior-Senior Prom with the aid of the decorations planned by the Junior Cabinet. A tiki god greeted couples at the door, where faculty members handed out bids of black and gold with miniature palm trees on them. A grass hut in one corner highlighted the ballroom, which was decorated with flowers and white and gold palm trees.

In an adjoining room couples were able to rest. There they were also served refreshments at tables decorated with candles in half coconut shells.

Girls in formals and boys in tuxedos added to the elegance and enchantment of the prom, and each one will have long-remembered memories of the hours spent dancing, talking, and enjoying the music provided by Ralph Burger and his orchestra.

Guests of the Junior Cabinet, which sponsored the prom, included members of the administration, board of education, Senior Cabinet, and the Sophomore Cabinet Chairman.

Students See Italy, Colorado, Capital

Students had the opportunity to participate in any one of three trips sponsored by various groups this year. One of these trips was the European tour sponsored by Mr. Panza. On this trip the students jetted to Italy, where they visited Florence, the Leaning Tower of Pisa, and the Colosseum and the Trevi fountain in Rome. They also met the mayor of Rome and saw the Pope in St. Peter's Cathedral, where they also saw the famous murals painted by Michaelangelo.

During Easter vacation the Social Science department sponsored a trip to Philadelphia and Washington, D.C. In Philadelphia students visited Independence Hall and in Washington they saw such well-known places as the White House, the Capitol Building, and President Kennedy's grave. On one day they also visited Mount Vernon in West Virginia.

A third trip was also offered to students. This was the trip to Meeker Park Lodge in the heart of the Rocky Mountains in Colorado, where the students spent their time horseback riding, hiking, picnicking, square-dancing, and enjoying the beautiful scenery.

During their visit to Rome, Morton students saw a colorful Italian festival.

Ginny Tiu, Company Present Assemblies

Ginny Tiu and her two sisters and brother comprised the Ginny Tiu Revue presented to Morton students during two assemblies. The thirteen-year-old pianist and her company have appeared in such places as Carnegie Hall, at military posts overseas, and on the Ed Sullivan Show over nation-wide television.

Ginny, who sings, dances, plays the piano, and does impersonations, was accompanied by her sisters Vicky, age twelve, Elizabeth, age ten, and her brother Alex, age fourteen. The group played both classical and pop songs and included a special number featuring Alex on the drums.

High School Activities Occupy Students' Day

As the first bell rings at 8:25 in the morning, more than 3,000 students move to their first hour classes carrying books, paper, pens and pencils, and other equipment they need. The day consists of six classes and a lunch period. These classes range from home economics and mechanical drawing to English and modern history.

At night and on the weekends, however, the studious attitude of the students changes to one of enjoyment. Various sports events are held on the weekends, as well as sock hops, playnights, and dances sponsored by various school committees and clubs.

After-school hours see students attending swimming, wrestling, and track meets, as well as football and basketball games. Following many of the home basketball games, clubs sponsor sock hops held on the stage with entertainment provided by a live band. The MSGA frequently presents playnights held in the gym and cafeteria. In the gym students play volleyball and basketball, and there is dancing in the cafe. The dances, held throughout the year, provide lingering memories for those who attend.

In the team-teaching program, combined classes afford greater learning.

Laughter, Learning Accent School Year

Laughter and learning were a part of this year's events. The donkey basketball game saw teachers and students matching muscle and determination with each other as well as with ten stubborn donkeys. The students proved themselves more durable in the man-and-beast contest and defeated the teachers. The M-Club-Faculty basketball game once again matched students against teachers in physical sport, but this time the teachers excelled, and the students were defeated. The Annual assembly's predominantly visual comedy provoked laughter from the students.

Learning was also a part of the year's activities for parents of eighth graders. At this session, parents were introduced to high school life and the subjects their children will be studying in the coming year.

Graduates donned in caps and gowns await final triumph.

Closed circuit television enabled the overflow crowds to view the graduation.

Seniors Attain Goals On Graduation Night

Another class of seniors is recorded in the pages of Morton's history, and approximately 650 young men and women entered a new era in their lives, leaving one of the most important periods of their lives behind them.

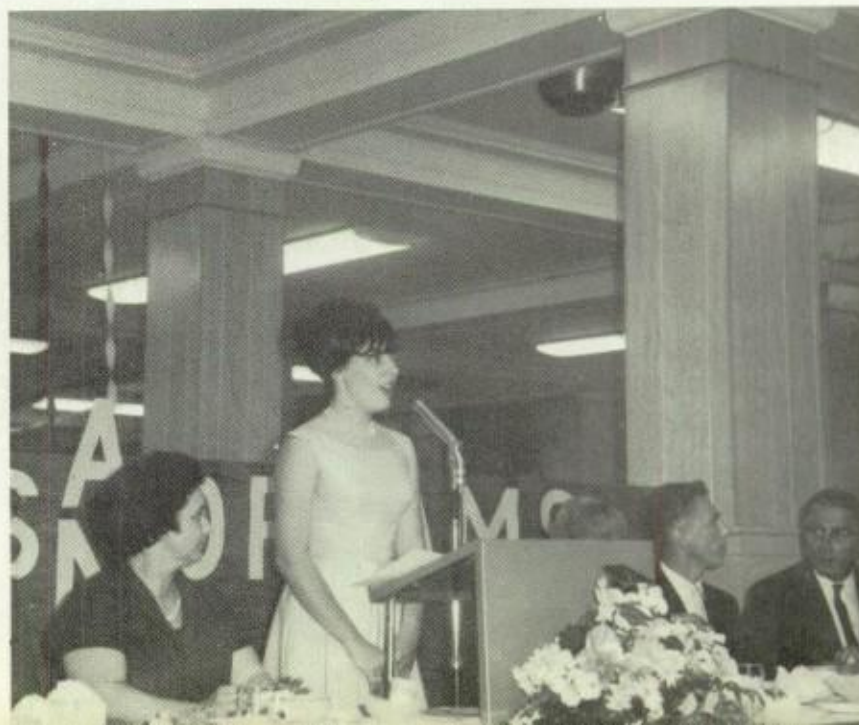

Four major events highlighted the last few weeks of the seniors' high school career. The events began with the Little Commencement ceremonies, during which outstanding seniors received several awards in various fields. The second major event for the seniors was the Baccalaureate ceremonies, which were held at Morton West because of the lack of parking facilities at East.

The Class-Night Dinner-Dance theme, "Memories and Dreams," appropriately represented the thoughts filling each of the seniors' minds. The final and most important event for the graduates was, of course, graduation night itself. This is the night that exemplifies what these students have worked for for four years; and as each student received his diploma, he traditionally switched his tassel to the other side to indicate that he is now a graduate.

Dr. Cooper addressed the audience at the graduation ceremonies.

Terri Zill, who helped organize the Class Night, spoke at the dinner.

Change to Big City Pleases Mr. Everett

Mr. Everett originally came from a large ranch in Scottsbluff, Nebraska. When he first arrived in Chicago, he felt that city life was too confining and wanted to return to the ranch; however, his feelings have changed since then. Now he believes his existence depends on being among other people, and he no longer wishes to return to his home in Nebraska.

Before coming to Morton Mr. Everett attended Doane College, where he received his Bachelor of Arts Degree. After coming to Chicago he practice-taught without pay at the University of Chicago Lab School and then did substitute teaching at Akiba, a south-side Jewish school.

Mr. Everett has been teaching at Morton in the Social Science department since 1960, and his teaching methods seem to be much different from those of most teachers at Morton. Many of his classes consist of open discussions, and he allows his students to move along at their own speed. He would like to see an ungraded classroom system used at Morton, and he has already tried modifications of this system in some of his classes.

He is one of the sponsors of the S.V.S. and he believes that Morton students must have something "mystically keen" about them in order to do the work that they do each Tuesday evening at the State Mental Hospital. Besides working with S.V.S. Mr. Everett teaches Sunday School, works at a Y, and takes part in discussions in a coffeehouse on Friday nights. Social conditions interest him greatly, and after familiarizing himself with the different problems, he likes to involve himself in efforts to ultimately eliminate some of these social problems.

S.V.S. news-letters are distributed each Tuesday during class.

Like most teachers, Mr. Everett is often faced with many papers to grade.

School District 201 Helps Build, Evaluate

Construction, appointments, and evaluation were some of the matters with which School District 201 and its superintendent Dr. Walter L. Cooper were concerned during the school year 1966-67.

Most of the construction for the new athletic facilities at Morton East were completed by the end of the year. To oversee these facilities, Mr. Henry Hohe was appointed Division Chairman for Athletics. Other new appointees were Mr. John Leckel for Speech and Dramatic Arts and Mr. Joseph Zupsich, who was made Acting Chairman of Language Arts. All school personnel cooperated in a self-evaluation program conducted by the North Central Association.

Expanded Facilities For P.E. Department

Undergoing many constant changes, the Physical Education department has expanded during the past few months. In the early part of the school year, gym students and mainly football teams used the field for activities and practice, while baseball teams and track teams used the field in the spring.

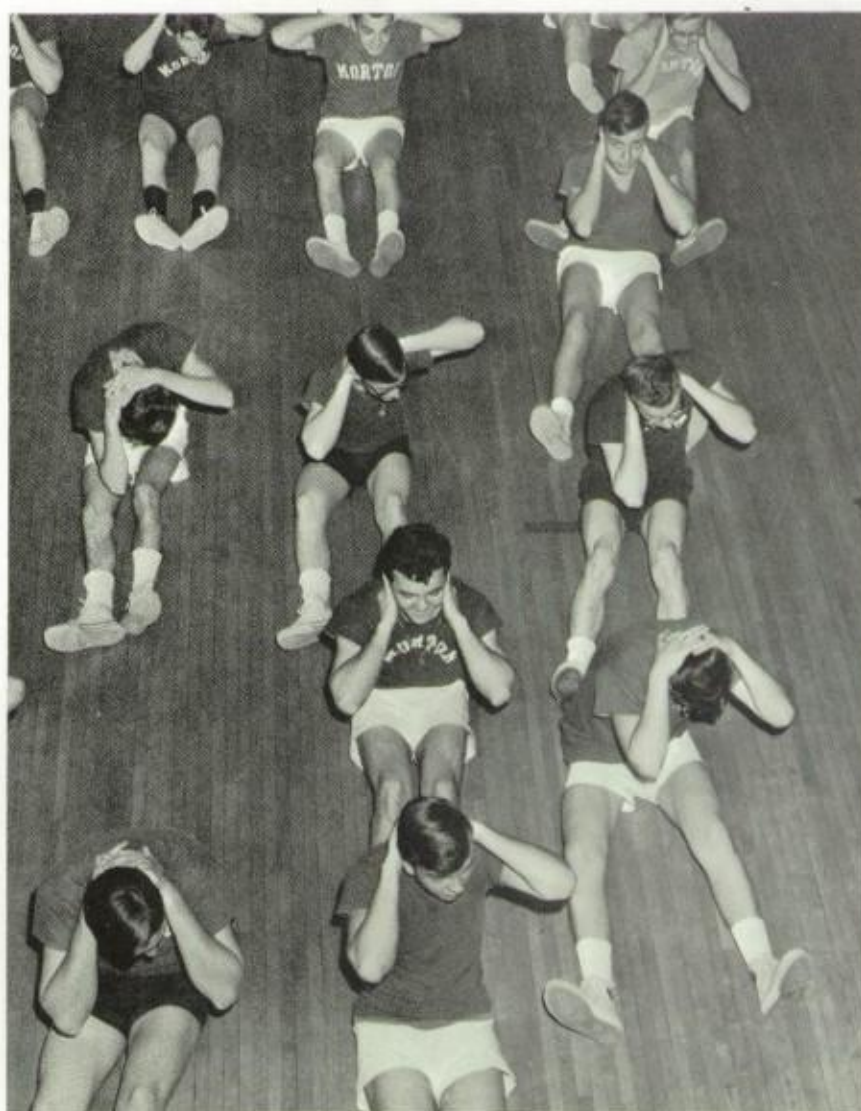

The construction of the new fieldhouse is nearing completion. It will contain a larger swimming pool, classrooms, and an indoor track.

The girls will acquire great benefit from this expansion because the facilities will be used for the purposes of gym, health, and dance classes.

The sports of archery and badminton will be included in the gym program. By the use of the new fieldhouse, many aspects of the physical education program will benefit. Mr. Jahelka stated, "One must acquire good posture and health by strict physical exertion."

There will be better dressing facilities and more locker space for both boys and girls in the new building. Students will not have to carry gym suits from one building to the other. With the larger swimming pool, there will be two or more classes using it at one time, instead of the present procedure of one class at a time.

Exercise is an important element in the physical education program.

In the girls' P.E. classes a number of weeks are spent teaching the skills and techniques of basketball.

Two New Teachers Added to Fine Arts

There are no new courses this year; however, there are two new teachers in the Fine Arts department. Mr. Anthony Chelz teaches art, and Mrs. Joy Kassner, choral music.

Mr. Dvorak stated, "Teachers in the Fine Arts department are trying to be more effective in transmitting knowledge and the achievement of skills." All the art and music teachers are involved in personal improvement which permits them to teach with a broader concept of art and music. The individual student is being exposed to the same subjects, but is being exposed more to related arts than ever before. The teachers are taking a critical look at the program.

Morton's Fine Arts department, compared with that of other Illinois high schools, is among the outstanding because Morton East has one of the finest high school faculties. "A good curriculum depends on high quality teachers," said Mr. Dvorak.

The new facilities will not in any way affect the fine arts classes. New facilities, however, are expected for the photography classes. "Mr. Sturr can come out of his cage now." Mr. Sturr will take over the simulator room.

Offer New Courses For Math, Science

In the sixty-three physical science classes and seventy-nine math classes this year there were several new or changed courses. Mrs. Martin taught a new course for select freshmen. This physical science course emphasizes lab work, and it may completely replace general science in the future.

This year seniors were permitted to take college biology or college chemistry and receive either high school or college credit. Another new course offered this year was solid geometry, taken together with trigonometry, instead of the full year course it had been in past years.

Seven new teachers joined the Math and Science department this year. In the math department the additions were Miss Diane Barth, Mr. John Parker, Miss Francis Plotke, and Mr. Charles Schliem. The new science teachers are Mr. Leonard Horacek, Mr. William Stern, and Mr. Barry Weiss.

History Department Sponsors UN Test

Many new and exciting opportunities were opened to students who enrolled in social science courses this year. One was the UN Test given every second semester of the school year. Forty-six participants took this test. Another was the Law Day Contest, which was administered on April 1 and 12.

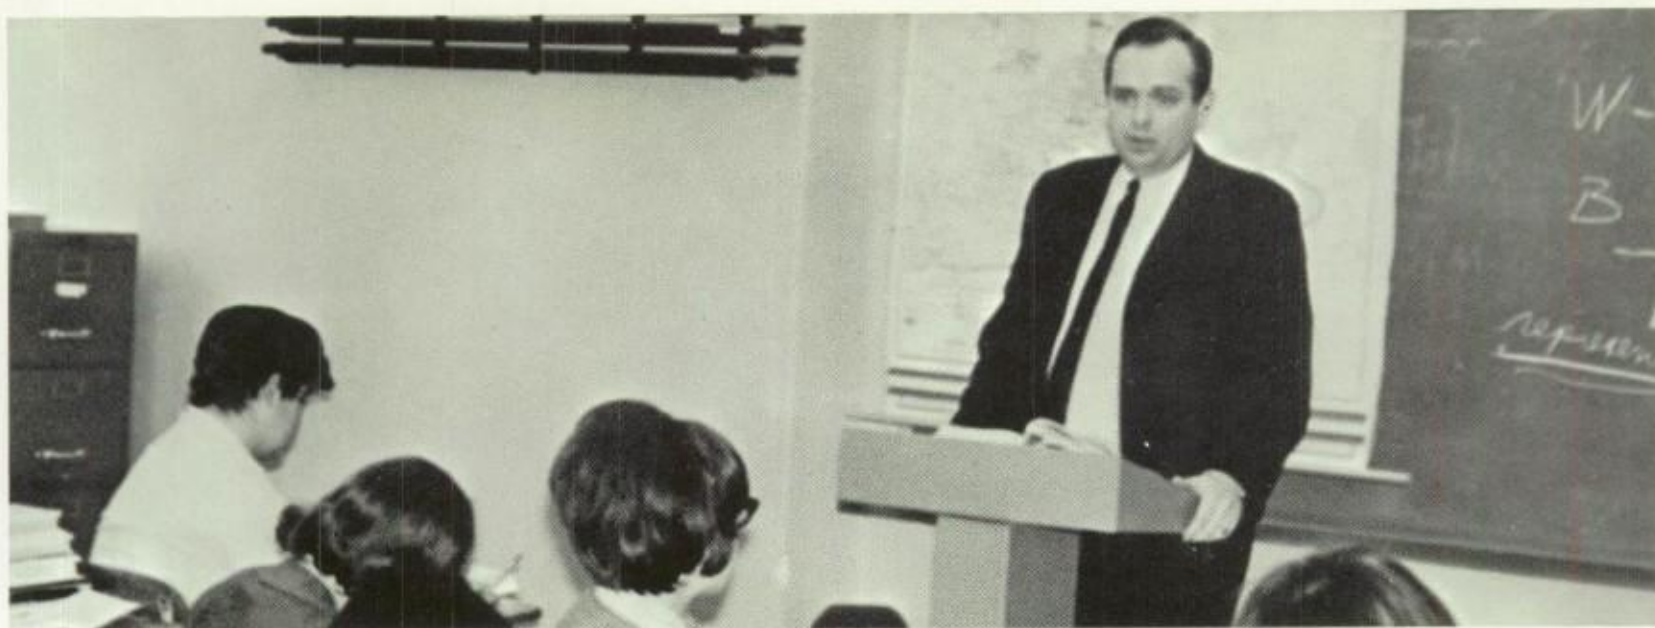

Possibly next year the psychology and sociology courses will be taught in one large group. Just as the Language Arts department had their team-teaching study program so will the Social Science department. If this program goes into effect, Mr. H. Landi and Mr. J. S. Everett will teach it. Since psychology is one of the favorite subjects on the list of courses opened to students, this combination of psychology and sociology will further their study.

Several Field Trips For Language Arts

Mr. J. S. Zupsich
Acting Division Head
Language Arts

Teachers in the Language Arts department took their students on various field trips this year. Among the places which they toured were the Schubert Theater, the Chicago Art Institute, the Studebaker Theater, the Field Museum, the Le Petit Gourmet Restaurant, and the Civic Opera.

Added to the list of new teachers this year were Mr. A. Kleinaitis, German, Mrs. J. Morton, English, and Mr. W. Pawul, Russian and German. Foreign language teachers stressed more than ever before the importance of the pronunciation of a particular language in its native expression.

Dramatics, General Literature, and Spanish proved to be the most popular courses this year.

Library, Book Week Encourage Reading

Fiction, non-fiction, and biographies were added to the list of various books in the library bringing the total amount of books to 29,000.

Book Week was held the first week of November, while Library Week was April 16-22. The main purpose of Library Week this year was to develop the lifetime reading habits and to improve all types of library services. A display of publishers and their publications was shown in the library during that time.

As in the past, the librarians offered help and showed freshmen how to use the library during Freshmen Orientation Week, held at the beginning of each school year. Mrs. R. A. Sigborn was one of the new librarians who aided students in this tradition.

At one of this year's PTO meetings a video taped counseling session was presented to the parents to see how the guidance office functions. "This mainly showed parents how their children are aided for their own individual program or preparation into college," stated Mr. F. S. Placzek, head of the Guidance Office. Readiness is what the Guidance department strives for, so that information for entrance into high school or college is available to students.

Joining the counselors this year was Mr. D. M. Peterson, formerly from the Practical Arts department. His addition brings the number of counselors to twelve.

Equipment Installed In Machine Shops

New and interesting changes took place in the Industrial Education department this past year. Some of the developments were the remodeling of one of the vocational electric mechanics rooms on the first floor and the installation of new equipment in a few machine shops. According to Mr. W. J. Silhan, "There is always a continuous up-grading of all courses in the Practical Arts department."

Vocational courses in all areas proved to be popular, because the programs have, as in the past, helped so many students find part-time jobs. In the Business Education department, subjects such as typing, shorthand, and many others have played an important role for students who plan to enter into one of these fields as a career.

Food Service Taken By Morton Students

Miss D. A. Timm
Department Head
Home Economics

Field trips were a part of the educational experience in the Boys' Foods class. This tour showed the students the importance of preservation as well as the methods of determining the wholesomeness of many foods. To further educate students, the Home Economics department plans to offer a course in food service in the summer.

Clothing, foods, and homemaking proved to be the most popular courses this year. These courses always are successful because the subjects give the individual student a sense of accomplishment.

For the second semester, Mrs. B. Zimmerman was added to the list of teachers in the Home Economics department as a permanent substitute in the fields of foods and clothing.

Organized Services Promote Specialties

Morton has several special services that were organized to serve the students in many areas. Nurses treat minor health ailments or any emergencies that occur in school until the student can see his own doctor. The maintenance department is trying something new this year. In order to encourage the students to keep the halls clean, the halls are being swept between classes. The cafeteria staff has been increased to over twenty people. During the week they prepare a variety of hot meals that the students and the faculty members enjoy each day.

In the Speech Correction department, small groups of students are brought together to help eliminate speech defects that hamper the individual himself. Modern machines aid all these students, so they may acquire better and clearer pronunciation of our language. This year Mrs. M. M. Moss and Mrs. G. Nold were the specialists who helped correct these speech problems. In the Orthopedics department, various teachers assist students enrolled in this program. Miss A. M. Witt was added to the list of new teachers in the Orthopedics department. The students not only learn individually to better their abilities, but they also work on group projects. Instructors aid the children by preparing them to fill a useful role in society.

One of the many jobs of the nurses is to aid Morton students in any way they can.

Pep Club Holds Initiation Ceremonies;

For the first time in its history, Girls' Pep Club had a formal initiation for all the new members. Pep Club, the largest and one of the most active clubs at Morton, again strove to cheer enthusiastically at games of all the athletic sports, both home and away, throughout the year. Displaying and promoting good sportsmanship between Morton and other schools is one purpose of Pep Club. Members decorated the stadium at home football games to create more school spirit for Morton. Starting the year off in September with no money in their treasury, Pep Club was able to build up

their account by sponsoring a sock hop and two bake sales.

Every year, Girls' Pep Club sponsors a banquet honoring all the basketball players of the past season. A Dunes Trip in June has become another annual activity for Pep Club. At the end of the year, Pep Club had another banquet at which time new officers were announced and awards were presented. Active members can first earn a numeral, and later a Pep Club M. Membership is open to all girls, according to Mrs. C. S. Shea, club advisor.

Debate Team Questioned on Intraschool TV

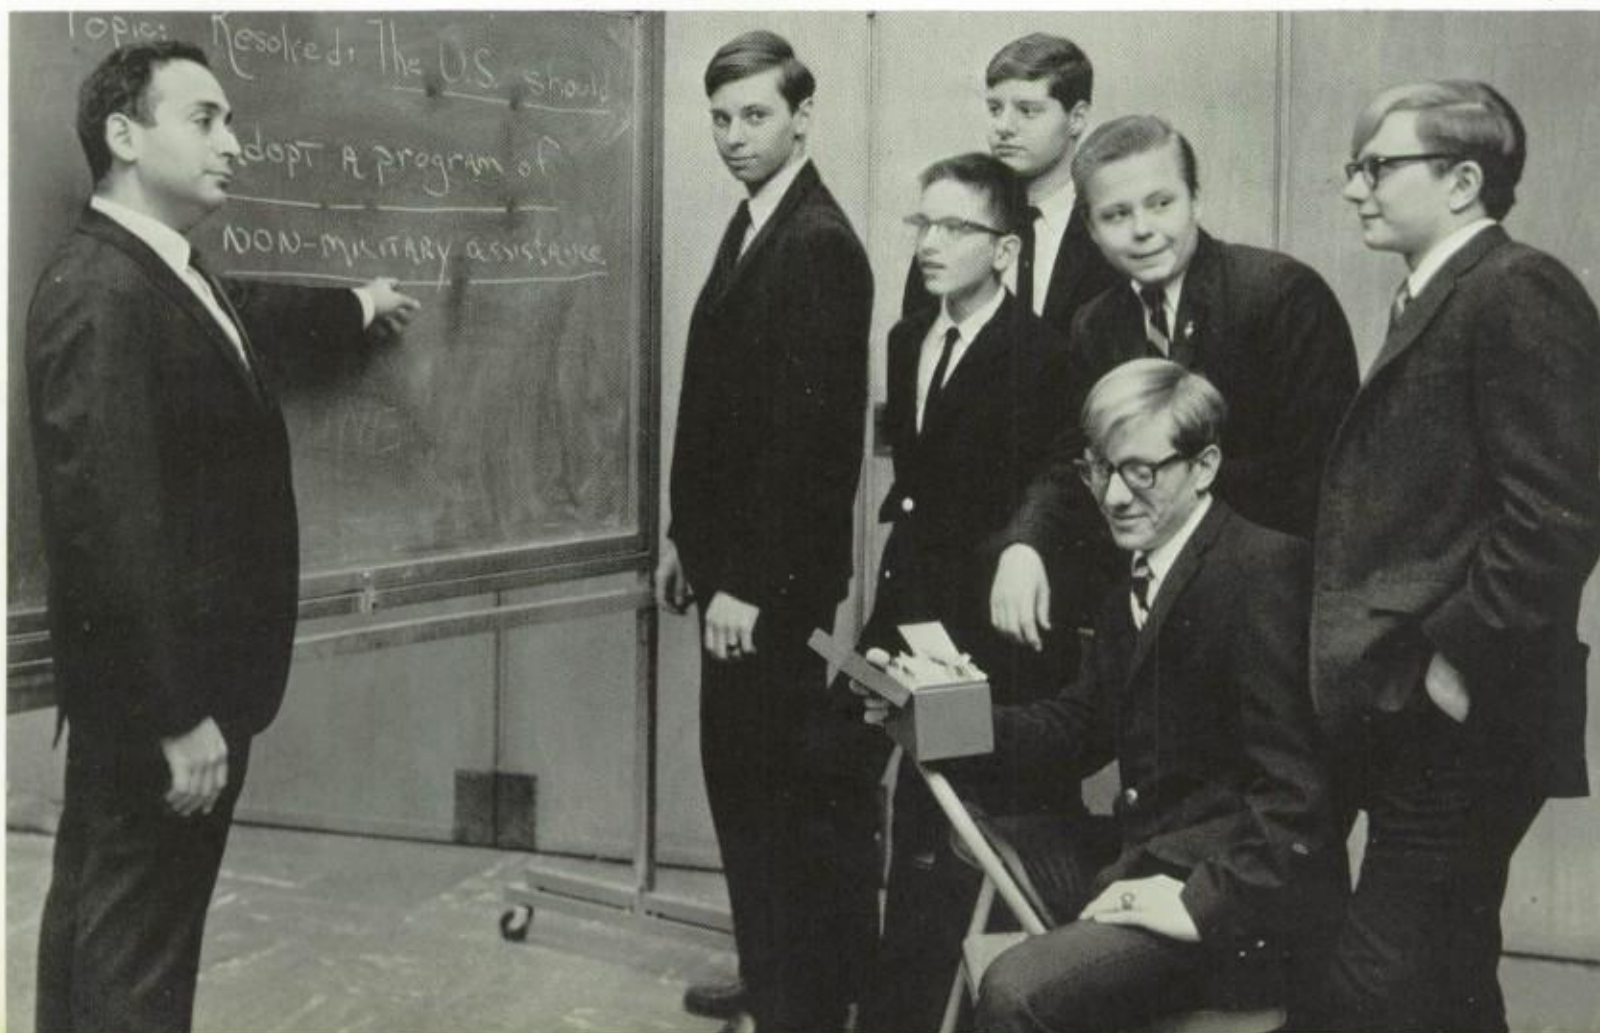

Viewing Morton's Debate Club from a television set in English classes was a new experience for English students. By means of a Z-way intercom system, the students were able to ask the debaters questions about their topic of discussion.

According to Mr. M. Ostertag, club advisor, debaters took part in a "British style debate." The debate question was whether or not to dissolve the school administration, thereby giving students com-

plete freedom. Speakers were subject to ridicule by the audience during the debate, which was all done for fun.

At this year's debate tournament at Northern, the varsity debaters brought home a trophy for third place. Novice debaters also gained a trophy for Morton by winning in the first place division at Oak Park High School.

Mr. Minton Ostertag and the varsity debating team prepare and discuss material to be used for this year's debate topic.

Fencers Hold Picnic

Enlarging their scope of activities this year, Fencing Club members held a picnic. Under the advisorship of Mr. J. S. Abbate, Fencing Club members learn and appreciate all the skills involved in fencing. Fencing Club is open to everyone who may be interested. "Our members," stated Mr. Abbate, "quickly learn many amateur fencing skills."

Name Math Winners

Winner of last year's annual high school math contest, according to Mr. J. Hanzlik, club advisor, was William Darr. In second place ranked Richard Jeske and Mario Caldarone. Each year Math Club members can be seen struggling to solve problems in preparation for the test. Math Club has bi-monthly meetings. Throughout the year, the club works out problems that have appeared in past year's math contests.

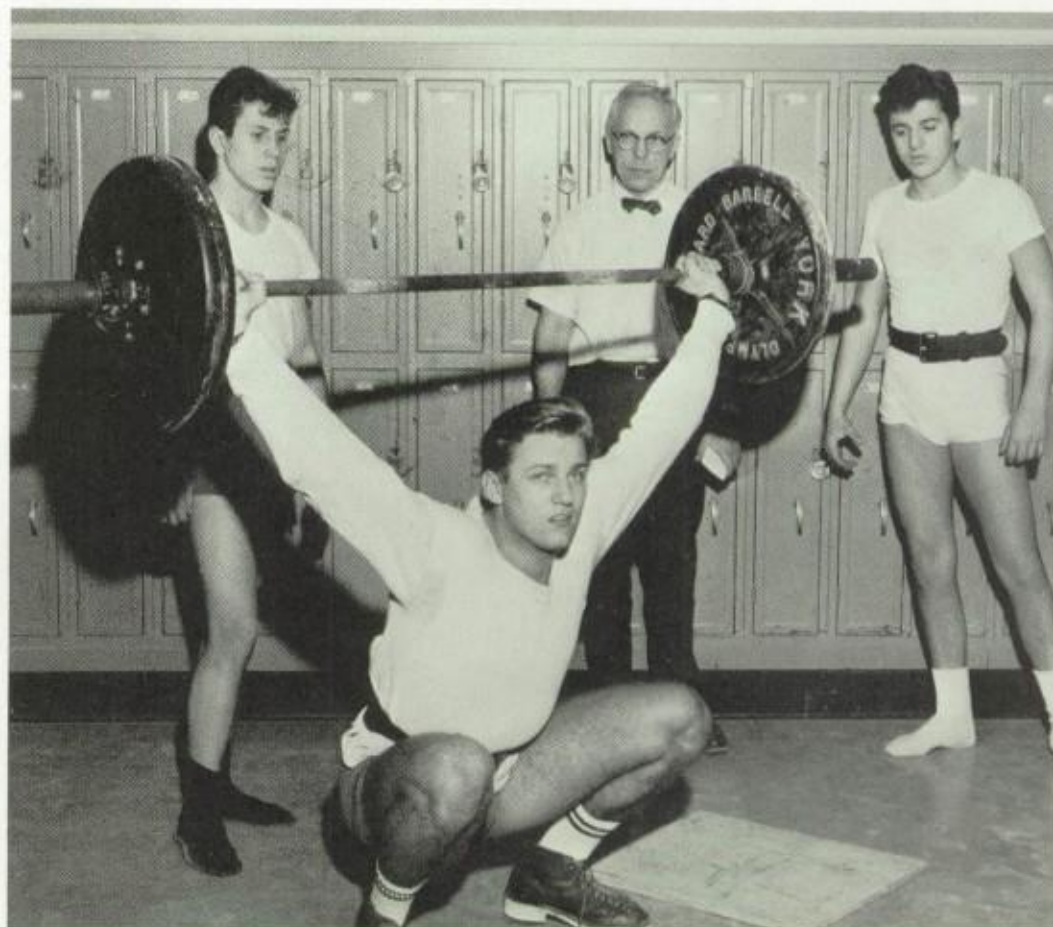

Mr. Hanzlik and Mr. Schliem, co-advisors, help any member who is having personal problems with his math homework. At their meetings, members discuss the practical as well as the unusual facets in the field of mathematics. Members also are kept aware of any changes taking place in the field. Although Math Club's membership was very low this past year, those students who were interested in the subject were able to study problems too complex for the normal classroom.

To develop an appreciation of weightlifting is the object of the Weightlifting Club. Under the direction of Mr. F. L. Cook, the boys involved took time to practice their skills to help themselves to develop strength and muscularity.

The members took three trips throughout the year to weightlifting meets in which they participated. They were held in the fall, winter, and spring. The progress of the boys was watched throughout the year. The members of Weightlifting also held two swimming get-togethers during the year.

Travelers Plan Trip

Wishing to enlarge their scope of activities, Travel Club has planned a weekend Mississippi riverboat ride to the Amana colonies in Iowa, where Amana refrigerators are made. Travel Club members also plan to take a series of outings to view the high points of Chicago. Those restaurants featuring foreign foods will be visited by Travel Club members in the future.

Although Travel Club didn't meet first semester, members worked hard planning various excursions. Once again members took a trip to Meeker Park in Colorado. Travel Club also held their annual picnic in the spring.

Students Informed

Through the assistance of Human Relations Club, students were informed that the YMCA and Morton students made available a tutoring service to deprived children of Chicago. These services were conducted at the YMCA, where both Mortonites and the deprived students met.

"Our club's purposes include promoting inter-school human relations, replacing myth with reality, and fostering democratic attitudes," explained Mr. Pollina, advisor. The club informed Morton students of Human Relations conferences, which were held semesterly at Northern Illinois. Members also participated in a student exchange program which lasted for one school day, and they took field trips into the inner-city.

Books Sold by Club

Every day this past year, students were welcome to come and buy paperbacks in the student library. They were sold from 7:30 to 8:30 in the morning by various members of Library Club. Highlighting Library Club's activities was a field trip in March to Elmhurst College, where members viewed the school and saw its modern library facilities.

Members of Library Club worked toward earning pins and letters. After gaining 600 points members earned a pin, and after gaining 1200 points members earned a letter. "Points were established through working in the library during a member's study hall and before and after school," explained Miss V. L. Hoehn, advisor. Among its projects Library Club had a car in the homecoming parade and a Christmas party. The annual Awards Banquet, which was held in June, honored those outstanding members when they received their letters and pins.

Hayride for Leaders

Expanding their field of activities, Student Leaders held some sort of function each month. Early in the year, they had a hayride for all Student Leaders and their dates. Another project was a wiener roast. Besides these new projects, Student Leaders unified their appearance by wearing gray sweaters with an emblem on them on specified days.

"Student Leaders are not policemen," stated Mr. B. C. Holloway and Mr. J. L. Hampton, advisors. "Their main purpose this past year has been in keeping students seated and assisting them. Our Student Leaders helped to create a pleasant atmosphere in the cafe for students to eat in."

Both new teachers at Morton, Mr. W. Stern and Miss G. Kelecich became Booster Club's new advisors. The club consists of a select group of girls who sell refreshments at home games. Profits were used to finance trophies for Morton's outstanding athletes.

Brookwood Country Club was the location of Booster Club's annual dinner-dance. The girls also had a hayride and a splash party.

Militaires in Parade

This year, Morton Militaires marched in Cicero for the annual Fire Prevention Week Parade. Under the new instruction of Mrs. Ward, Militaires practiced long hours to provide half-time entertainment at football games. Instead of using the traditional guns, the girls used flag batons of different colors. Militaires is connected with the Morton Band; therefore the girls may participate in all band activities.

Czechs Hunt Houby

Have you ever gone on a "houby hunt"? Czech Club members did, and according to Mr. A. Jandacek it proved to be quite an interesting adventure. "Most students never had the opportunity to pick mushrooms," said Mr. Jandacek. "Our field trip in the spring was a welcomed adventure."

Outstanding members received awards at an annual banquet at Klas Restaurant in April. Prior to this ceremony, Czech Club held two splash parties and two candy sales. With a display in the third floor case, Czech Club informed all students of Christmas and Easter customs in Czechoslovakia. More examples of Czech Club's many activities were their bowling and ice-skating parties.

German Club Dances

Under the direction of Mrs. Doppfeld from Nazareth Academy, German Club members learned the techniques of folk dancing in preparation for a Christmas program, to which parents of club members were invited. At regular meetings, which were held every other week, members endeavored to speak more and more German.

Some of the major activities of German Club were skits, plays, and parties. A picnic was also held in the spring. These projects helped to promote the purpose of German Club, which is to acquire a better understanding of German culture, the German language, and of the land itself.

Italians Visit Dunes

Among their varied activities, the Italian Club members participated on a trip to the Indiana Sand Dunes. "This is an activity the members really looked forward to," added Miss M. T. Sarandrea, advisor.

The club was also interested in involving the parents of their members in their activities. At Christmas they held a special Christmas party to which parents were invited. At that time both students and parents learned more about Italian Club and Italy. At their weekly meetings, the members saw movies and discussed the culture of Italy. After the movies, discussions were held during a short question-answer period. Italian Club members also ate dinner at an Italian restaurant and sponsored the sale of Italian Torrone in the school cafeteria to supplement their treasury.

Club Has Speaker

Spanish Club members enlarged their knowledge of Spain and Mexico when the club invited the director of the Spanish Tourist Office to give a lecture at one of their weekly meetings. The director explained current events immediately taking place in Spain. At their regular meetings, members discussed those topics relative to the Spanish language and culture. Members reviewed new books dealing with the Spanish world. Also, they saw movies that increased the members' desires toward learning.

"After our visit to a Mexican restaurant, students were eager to learn more vocabulary," stated Mr. Panza, advisor. The club helped with the sale of tickets for the "Cryan" Shames Concert" to increase their treasury. At the end of the year, pins were awarded to numerous members.

Club Donates Toys

As a special service project this year, French Club members donated and repaired used toys. They then distributed them to the Recreation Center in time for Christmas. According to Mrs. A. E. Van Buren, advisor, members took a field trip to the Art Institute, where they saw special exhibits and paintings from France.

Because French Club's purpose is to learn about the culture of France and speak in French conversations, members saw movies during their meetings and conversed in French. French Club members ate at a French restaurant again this year and had a bake sale.

Romans Join Parade

Decorating a car for this year's homecoming parade was a new activity for Latin Club members. "Latin Club," according to Mr. H. T. Janka, club advisor, "is dedicated to the promotion of the study of Latin. At our weekly meetings we acquaint ourselves with the classical heritage and culture of Rome." In addition to increasing its treasury by holding two bake sales during the year, the club had a successful picnic in early June. Membership in the club is open to all students who are interested in studying Latin and who wish at the same time to gain new friends.

Russians Sing Along

At several Russian Club meetings, members were seen listening to records and singing along with them. These records informed club members about Russian customs and taught them how our American record enjoyment differed from Russia's. Since the purpose of Russian Club is to learn more about Russian people and their customs, members viewed movies and slides.

Russian Club participated in the language clubs' mass party this year to add to their club's activities. To be a member in Russian Club, a student should be taking Russian as a school subject.

Gallopers Take Trip

Traveling in a car train to Wisconsin for an all-day ride in the country was a major event for the Saddle Club. Members left at 7:00 o'clock in the morning and returned at dusk. Other excursions throughout the year include trips to Prince Crossing and Green Acres stables. Almost every weekend members visited one of the various stables of the area.

This year members worked towards gaining stars and letters. "When a member earned 500 points," Miss H. C. Chrison, advisor, stated, "he received his Morton letter." Membership cards were another new feature for Saddle Club members.

Among its activities Saddle Club held a candy sale early in the year. The money they received financed the cost of having twin horses in this year's homecoming parade. Saddle Club also held a sleigh ride during Christmas vacation and a hayride in the spring. Besides these trips, a few members attended a rodeo and reported the events to the other members. Riding enthusiasts did not let the end of the school year stop their activities. Instead, rides have been planned throughout the coming summer vacation.

Girls Give to Needy

As an appropriate Thanksgiving Day project, Junior-Senior Girls helped the needy families of Cicero and Berwyn. Members packed baskets of food containing canned goods, candy, and other food stuffs. Mrs. Havlik, advisor, and Miss Bloom carried the baskets to the various houses. After the project a Valentine's Day bake sale was held to supplement the treasury.

Junior-Senior Girls donated their time by serving at the Honors Banquet, the Father-Son Banquet, and the Senior Banquet. They also ushered at the Modern Dance show and held their own Mother-Daughter Banquet. Girls ran the Lost and Found department for the Deans' office and sold chrysanthemums at the homecoming game.

"Our association's purpose is to render services to the school and community," explained Mrs. Havlik. "However, the girls received much self-satisfaction in the performance of these deeds. In February we had an ice cream social and those members with sufficient points received M's and pins for their services." Junior-Senior Girls is open to any junior or senior girl who wishes to help others by small acts of generosity.

This year the Junior-Senior Girls collected used Christmas cards for the needy.

Jr. Council Guides

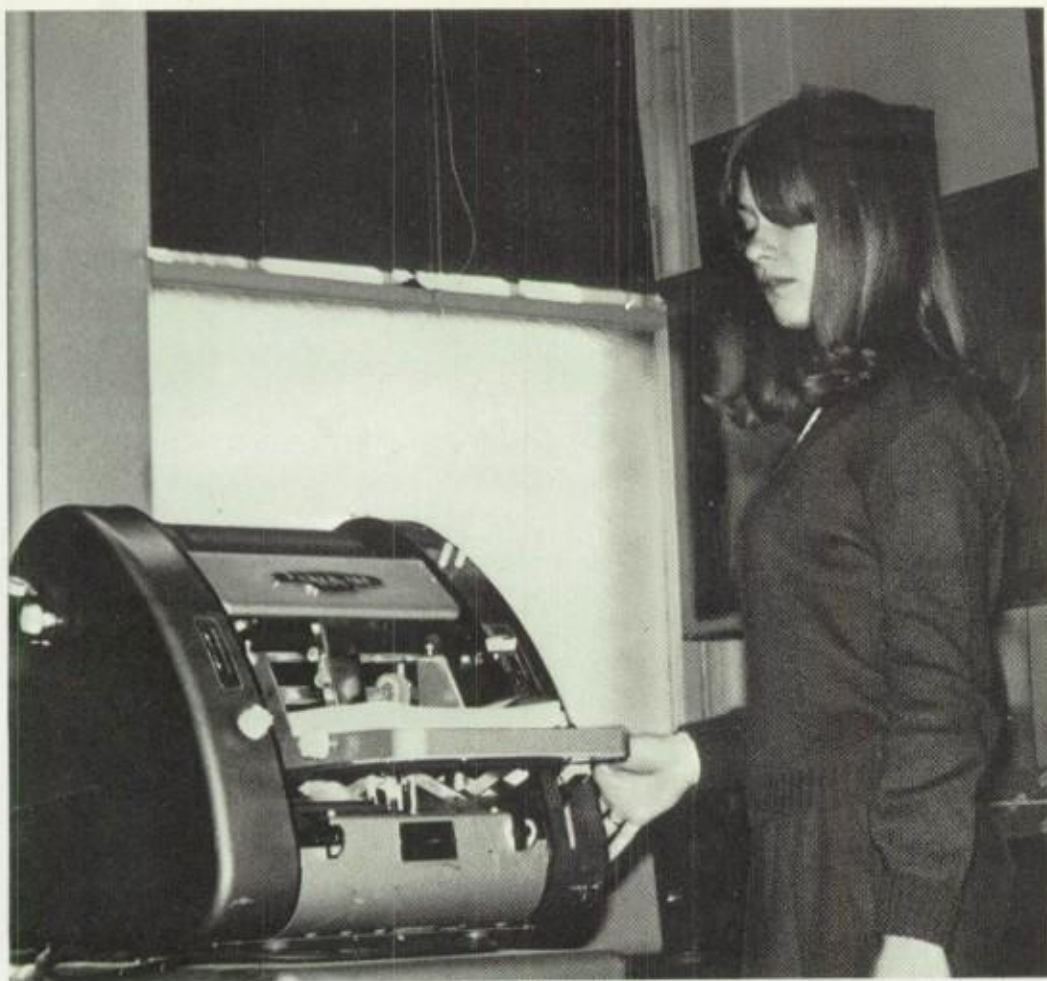

Assisting various clubs at their social events Junior Council is a younger version of the Senior Council. This year, besides ushering at plays, assemblies, and banquets, the boys ushered the parents and relatives of the graduates during the baccalaureate exercises in June. Under the direction of Mr. H. Landi, club advisor, Junior Council worked in co-operation with the Senior Council in seating the people who attended the Morton Faculty and Staff Christmas Dinner in December and the Faculty Fall Breakfast. As one of the major boys' service groups in the school, they assisted the parents during the PTO open house in guiding them through the halls and classrooms.

Sr. Council Ushers

Being of constant service to the school is the purpose of Senior Council, which held weekly meetings during the homeroom periods. At the meetings the boys learned of their next service project. According to Mr. G. M. Larimer, club advisor, the boys ushered for two of the five nights that the production of "Little Me" was presented. They also worked with the Junior Council and the Junior-Senior Girls' Club waiting on tables for the Honors Banquet. The members served the school in whatever way they were needed: as ushers for plays and assemblies, waiters at banquets and dinners, and guides for such activities as College Night.

Girls Learn on Jobs

Combining classroom study with on the job training is the main purpose of Morton's Vocational Office Occupations program. Throughout the year, the girls gained office experience by working several hours each day at various local companies, such as Western Electric, Sunbeam, Hotpoint, and Sears Roebuck. While attending morning classes, the girls trained to operate key-punch and comptometry machines.

Aside from the vocational program, one of the primary functions of VOO, according to Mr. Keeling, adviser, is to provide members with school related activities. Among those held this year were the Employer-Employee Banquet and an orientation tea for the new VOO members and their parents.

Artists Visit Galleries

Under the new direction of Mr. A. W. Chelz, Art Club visited museums and galleries. A special feature during the year was critiques and exhibition of members' work. Art Club members used their talents when they worked on a float in the homecoming parade. Films and group projects at their meetings increased members' appreciation for and contact with art. According to Mr. Chelz, the only qualifications for membership are a willingness to participate in and contribute to club activities.

FBLA at Convention

Spending a weekend at our state's capital in April was a primary project of FBLA. In Springfield a convention was held for all FBLA's chapters. A trip to Northern Illinois University was another activity which benefited club members. Through guest speakers and movies members helped to prepare themselves for a business occupation. Thanks to FBLA, the student body wore Morton sweatshirts at school activities. Besides this sale, FBLA had a candy sale. A Cedar Lake picnic ended FBLA's activities for the year.

FTA Visits Lennox

A district meeting at Lennox, Illinois, to help those students who are interested in becoming teachers was the principle activity of FTA. At Lennox discussions were held which benefited the students by informing them of the important role they would one day play as teachers. Parties and a candy sale helped finance the trip.

In April delegates attended the state convention. FTA members also are invited to attend the DeKalb workshop, which lasts for one week during the summer. Movies and guest speakers at FTA's regular meetings soon attracted those students who have the desire to teach. Learning was combined with pleasure when FTA members constructed a float in the Homecoming parade.

Girls Visit Hospital

Throughout the year members of the Medical Careers club visited hospitals, schools of nursing, and rehabilitation centers. There they attended lectures and were introduced to various phases of the medical career as well as advancements in the field of medicine.

According to Miss M. Lochbaum, club advisor, Medical Careers creates an interest in the many occupations which are open in the medical profession. Though many of the members aspire to become nurses, Medical Careers of America is open to any girl interested in helping others.

Facing the five members of the Court of Justice was the problem of revising their constitution to comply with the current demands of the Court. The justices also worked with the Constitution Committee to create a constitutional convention for revising the MSGA's constitution. The justices' chief responsibility is to hear and judge cases presented before the Court by the MSGA, the administration, and the students.

Changes in Tradition

A "long-haired" concert featuring the "Apocryphals," the "Robbs," and the "Cryan' Shames" was one of the many new activities made possible through the MSGA's coordination of the policies of the administration along with the desires of the students. A teenage night-club motif at the Homecoming Dance was a new idea also presented by the MSGA. Through the efforts of the MSGA, the students have a voice in their own school government.

Coronation Canceled

The coronation of a King and Queen of Hearts selected from Morton's faculty was to have highlighted the canceled Valentine's Day Assembly presented by the Assembly Committee. Among the many assemblies presented were the Christmas Assembly, in which the various choral groups entertained the student body, and the Homecoming Assembly, in which the Homecoming Queen was crowned. Throughout the year, the members of the Assembly Committee organized several pep assemblies to promote school spirit for the sporting events.

Parade Plans Made

Plans for the Homecoming Parade were begun early in the year by the Activity Committee. Under the supervision of Mr. D. E. Liggett, the members of the committee worked diligently to have a parade that ran smoothly and was well organized.

The committee also worked throughout the year arranging bus transportation for students who attended the away football and basketball games. The Activity Committee also presented a successful, well attended concert featuring the Cryin' Shames, the Robbs, and the Apocryphals.

Dance Plans Made

Planning dances throughout the year is the main purpose of the Social Committee. Their main project this year was the homecoming dance "Stardust." The members of the committee worked to create an evening of enjoyment that would be remembered for many years to come by those who attended.

The Christmas dance was also planned by the Social Committee but had to be called off because of bad weather conditions. Another dance, held in the spring, was the next project of the committee. The members of the committee worked to give the students entertainment which they would enjoy and to supply them with many pleasant memories.

Polls Tell Choices

In order to improve school activities year after year, Evaluation Committee takes polls after such activities as the homecoming, concerts, and dances. By students' views taken during the homeroom period, the MSGA knows what should be done in the future in order to improve future events.

Alumni Committee compiles a list of graduates of the school every year. Members also make a special file on those people who have been very successful after graduating from Morton.

Seniors Get Honors

Throughout the year the Medal Awards Committee watches for outstanding seniors who deserve recognition. Toward the end of the year the committee selects the students who have been outstanding representatives of their class and honors them. At the end of the year the committee sponsors the Little Commencement, during which the students selected are presented with their awards. This is a great honor which inspires students to strive harder to make a name for themselves and their school.

Students Give Ok's

Members of Bulletin Committee had to give their ok's on all posters before they were displayed in the halls. They also supplied information throughout the school year on the MSGA bulletin board. Their displays advertised the forthcoming school dances or plays.

It is the duty of the Orientation Committee to organize assistance to freshmen on registration day

held early in September. These members either served as big sisters or big brothers, taking each individual freshman to his various classroom locations. Another service which they render is to send representatives to Cicero grade schools to discuss different aspects of high school life in order to prepare incoming freshmen for high school entrance.

Operators Add TV

"Although we added a few television sets in the classrooms this year," explained Mr. Williams, operator advisor, "we plan to add even more next year." Operators, a service organization, consists of boys in the operators class. Its purpose is to upgrade the boys in a service occupation by giving them experience on the various equipment.

As in past years, Operators once again handled the sound at basketball games, at the fall fashion show, at all school dances, and at teachers' meetings. Besides conducting live shows, the Operators had experience in taping some programs which helped to further their operating ability.

Radio Telecasts End

Because of inadequate facilities at Morton, Radio Guild was unable to broadcast this year. With no space being available at school, broadcasts were held in Mr. W. D. Hammack's living room last year. Despite all these handicaps, Mr. Hammack is looking forward to a more prosperous club. "Next year," Mr. Hammack stated, "we will have sufficient space to rehearse and broadcast. These past two semesters we simply studied broadcasting equipment and broadcasting techniques. In the future we plan to broadcast a short play."

Thespians Perform

Thespian Club members, under the direction of Miss Y. Ghareeb, presented "Alice in Wonderland," the famous children's play this year.

Thespians is the National Dramatic Honor Society. Any student can earn the required number of points by his participation and interest in dramatic activities. He is then eligible for membership. Points may be earned through acting in plays, and in backstage work such as settings, lighting, make-up, costumes, and student directing. Scholastic ability, personality, service, and character are also considered. The prime goal of Thespians is to further the interest in dramatic arts.

Office Sells Tickets

A service organization available to the student body and teaching staff is Ticket Office. All the activities throughout the year involving the sale of tickets to students were handled by the Ticket Office. According to Mr. F. C. Petrdil, supervisor, Ticket Office is a clearing house for activity money from events such as banquets, chartered buses, dramatic productions, and music concerts.

Ticket Office personnel was selective. The girls, who were rated scholastically, were responsible for box-office supervision after each school activity. This year the girls decorated the windows of the Ticket Office to fit the various occasions of the year. At the end of the semester, Ticket Office held a party in recognition of a job well done.

Society Initiates 24

With an almost complete new group of members, Quill and Scroll, the international honorary society for high school journalists, retained two members and initiated twenty-four. Membership is a distinct honor, reserved for those outstanding staff members who have met basic requirements. These requirements include having done superior work in some sort of school publication, either THE MOR-

TONIAN, Trial Flights, or Mortonian Annual. A member must be in the upper third of his class and must be at least a junior or senior.

Each Quill and Scroll member received an official gold pin and a one-year subscription to **Quill and Scroll** magazine at the time of his initiation. Advisors of Quill and Scroll are Miss H. C. Chrison and Mr. G. Jackson.

Competition Inspired

New opportunities for musical competition were offered to the Concert Band members. On March 6, a local contest was conducted in which eighty people were chosen for their excellence in musical performance. These eighty people went to Mt. Prospect on March 11 to compete state-wide in a solo contest.

Throughout the year, two concerts were held, one on February 25, in which Junior Dan Busta played a solo on the French horn, and one on May 11, in which Jane Tomisek soloed on the piano. York and Willowbrook High Schools and the MJC Band also played at the former concert. Members of the Concert and Varsity Bands participated in the All-State Band held in January.

Part of the Winter Concert was the performance by the choral department.

Perform at Games

Once again, the Morton East Varsity Band co-operated with the Concert Band in performing for basketball games, football games, and assemblies. The combined marching bands of Morton East and West provided the music for the homecoming parade. The annual Christmas party held by the music department was open to all who participated in the musical productions throughout the year. A picnic in the springtime at Cole City provided swimming, boating, and games for the Varsity Band members.

Musically inclined underclassmen got an opportunity to gain experience in the field of music through membership in the Varsity Band. They develop an insight and an appreciation for pleasurable music.

Orchestra at U of I

Four outstanding members of the Morton East Orchestra were chosen to attend a musical symposium at the University of Illinois on March 3 and 4. The purpose of this gathering was to encourage solo performance by musicians. Throughout the year, members performed classical musical compositions of time-honored composers.

A new addition to the music department this year, Mrs. J. Kassner, aided in the direction of the musical groups. A former student of Morton East, Mrs. Kassner was a music major and excelled in this field.

Members of the orchestra performed for the Music Parents' Association held on April 1. On February 4, the orchestra concert was held. The highlight of the program was a trio of selections by the French composer Saint-Saens.

200 Sing at Concert

The performance of all the choral groups in a mass chorus of over two-hundred vocalists was the outstanding feature in the Christmas Choral Concert this year. Each group performed individually as well as in a mass cantata. The groups sang for all the outlying grade schools and presented a Christmas concert at their annual assembly.

Being a select group from the Aeolian Choir,

the Vocal Workshop had opportunities to perform for many organizations during the year. Christmas shows were presented at both Manny Pearl's and Klas restaurant for the Rotary and Lyons Clubs. In cooperation with Morton's Student Volunteer Service, the Vocal Workshop presented special shows for the children at the Chicago Mental Hospital, located on the north side.

As a special feature in the Christmas concert, the Morton East Choral department presented their version of the cantata "Noel".

One of the major functions of Morton's M-Club is selling basketball and football programs at all home games throughout the year.

Athletes Go Irish

Green shamrocks and leprechauns were in the air on March 17 as M-Club presented its St. Patrick's Day Playnite "Snoopy vs. the Green Shamrock," one of the many activities the club held this year. The boys published and sold the fall sportsbook, containing pictures of the football teams, games, and the cheerleaders. During the basketball season, M-

Club sponsored a faculty basketball game in which the senior members played against the gym coaches. They also presented a sockhop with the music of a live band after one of the basketball games.

Membership in M-Club is limited to boys who have earned a varsity M in one or more of the various sports.

Club Picks Projects

During this past year, the members of the Photography Club participated in projects of their own choice, or projects assigned to them by Mr. E. Sturr, the club advisor. Throughout these projects, the members received enrichment in the field of photography and learned how to take interesting photos and how to develop them successfully. Although the facilities for the club were inadequate, the photography lab proved to be a satisfactory workshop for the weekly meetings. Most of the members had previously been enrolled in a photo class and were familiar with the equipment available in the photography lab. This and an interest in photography are the only requirements for membership.

Workers at Banquet

Students of Morton's Future Distributors held an Employer-Employee banquet late this spring. The dinner, held at the Mar-Lac House in Oak Park, helped strengthen student-boss relationships. Besides participating in two area and one state conference, members of Future Distributors attended stage shows, dinners, picnics and wiener roasts for their own enjoyment.

Upon interview, Mr. Swigart, advisor, stated, "Future Distributors exists to afford recreation and training for students in the Vocational Distributive Education program. Our chapter of the Illinois Association of Future Distributors is an affiliate of the National Distributive Education clubs of America."

Banquet for Society

To recognize those students who made the semester honor roll is the purpose of National Junior Honor Society's annual honors banquet. Held in April, this dinner was attended by both students and their parents. After the banquet there was a ceremony held in the auditorium; a highlight of the ceremony was the presentation of the World War II Memorial Trophies, awarded to the outstanding junior boy and girl.

Junior Honor Society's goal is to promote and recognize scholarship, leadership, service, and character among students. These are the qualities necessary for election into the society. Junior Honor Society's activities include a tutoring service, maintaining of the honor rolls, and the issuing of congratulatory cards to all students who made the semester honor roll.

Students Evaluated

Those fifth-semester juniors and seventh-semester seniors who made the semester honor roll are evaluated by the entire faculty before admission into Senior Honor Society. The students are judged on scholarship, leadership, service, and character. After judging, 5% of the junior class and 10% of the senior class are elected into the society. These pupils

are initiated at the Honors Banquet in a special candlelight ceremony held in the auditorium.

Senior Honor Society participated with Junior Honor Society in planning the banquet. "They also held a Dunes trip in May to extend their activities," stated Mr. R. E. Hughes, "to celebrate a year well done."

SVS Aids Hospital

To let the patients of the Chicago State Mental Hospital know that someone cares is the main purpose of the Student Volunteer Service. Under the guidance of Mr. H. Landi, Mr. Everett, and Mrs. Horowitz, students visited various wards, spending time with the patients and taking an interest in their problems. During their visits, members conducted activities suited to the patients' abilities and aimed at reactivating them emotionally.

Among the activities were drawing, reading, dancing, and writing. Patients were encouraged to participate in games organized by members.

A new program introduced this year is one in which the SVS worked on direct communication with the hospital staff. Participation in hospital programs allowed members to gain a better understanding of mental illness and its treatment. SVS is also concerned with relating information in mental illness to local organizations to give them a better understanding of its problems.

Trophies by M-Block

Although the primary function of M-Block is to support athletics at Morton, the club spent much time gathering information about past Morton championships. In this way, M-Block was able to prepare trophies for the new athletic facilities.

M-Block's membership was rather small this past year. However, the boys promoted much school spirit by vigorously cheering at both home and away football and basketball games. M-Block's advisors, Mr. R. W. Iovinelli and Mr. D. Musil, are confident that M-Block's membership will grow in the coming years.

'Chicago' in Show

"Chicago" was the name of this year's water show presented by Swim Club. The show covered a short history of our town from Al Capone's famous Valentine's Day Massacre to the very recent McCormick Place fire. Morton East's own swimming pool was the stage for the show this April.

The program consisted of fifteen acts which the Swim Club members enacted through various strokes performed to music. Each act described a particu-

lar part of Chicago's history as the members presented the entire show in the water. Also highlighting the club's activities was the trip to the beach in the spring. Club members and their friends were invited to attend this trip and enjoy the swimming facilities at the beach. At the weekly meetings, club members learned new swimming techniques and were taught the basics of lifesaving.

50 Years of Service

THE MORTONIAN, student newspaper, celebrated its fiftieth year of publication this year. To acknowledge its anniversary, eight special feature stories dealing with changes that have taken place in the past fifty years were included in the paper once a month. Examples of these stories were the courses offered to students from 1916 to 1966, sports throughout the years, community changes in Cicero and Berwyn, and jokes told then and now. Also included were the differences between Morton's publications, changes in teenagers, library services and the different types of books read, and lastly commencement exercises.

THE MORTONIAN staff members worked diligently throughout the year to produce consecutively outstanding publications. The newspaper was circulated to students eight times a semester and distributed by the members. Initiation into Quill and Scroll at the end of the school year rewarded the hard working staff members.

256 Pages for Annual

To provide better and more complete coverage for the entire student body, the Mortonian Annual this year began taking individual portraits of freshmen and sophomores. "Formerly," explained adviser G. Jackson, "we photographed freshmen and sophomore English classes, but we thought the underclassmen should receive greater recognition."

Because of the individual portraits, the yearbook was expanded from 230 to 256 pages. There was no additional charge to the students. In addition to the greater number of pages, the use of four-color pictures doubled.

Keeping in line with the modern yearbook, the Annual staff strove for unity within the book by means of the theme "The Individual Is a Part of the Group." Editor-in-chief Mary McQuade stated that the theme was chosen to convey the idea that individuality and social inter-action are equally important.

Early morning finds Gayle on her way to J.S.M.

Gayle and friend laugh over an amusing incident during their lunch break.

Gayle executes in Office Machines the correct problem-solving technique.

Athletic ability aids Gayle in making a free throw.

Gayle Caposto Likes Modern Music Beat

Mini-skirts?

Gayle Caposto gives an emphatic "No!"

Our school's typical senior girl's ideas of current fads lean toward the folk music of Chad Mitchell and the popular sounds of Gary Lewis and the Playboys, the Supremes, and the Association. Gayle, even though only an amateur musician, frequently can be heard strumming her folk guitar.

Her interest in music is second only to her athletic interests; the latter is shown by the excellence of our cheerleading squad, which hails Gayle as its captain. When she's not cheering our Mustangs to victory, she is seen dispensing the various refreshments sold by Booster Club.

In the academic outlook, Gayle is planning to study data processing, for which she is now preparing by being a student in an Office Machines class.

Through her daily routine of school and weekends full of activities, Gayle exemplifies the Morton student who is both socially and scholastically conscious.

Playing her guitar provides a chance for relaxation at home.

Gayle, with her mother looking on, prepares for the game.

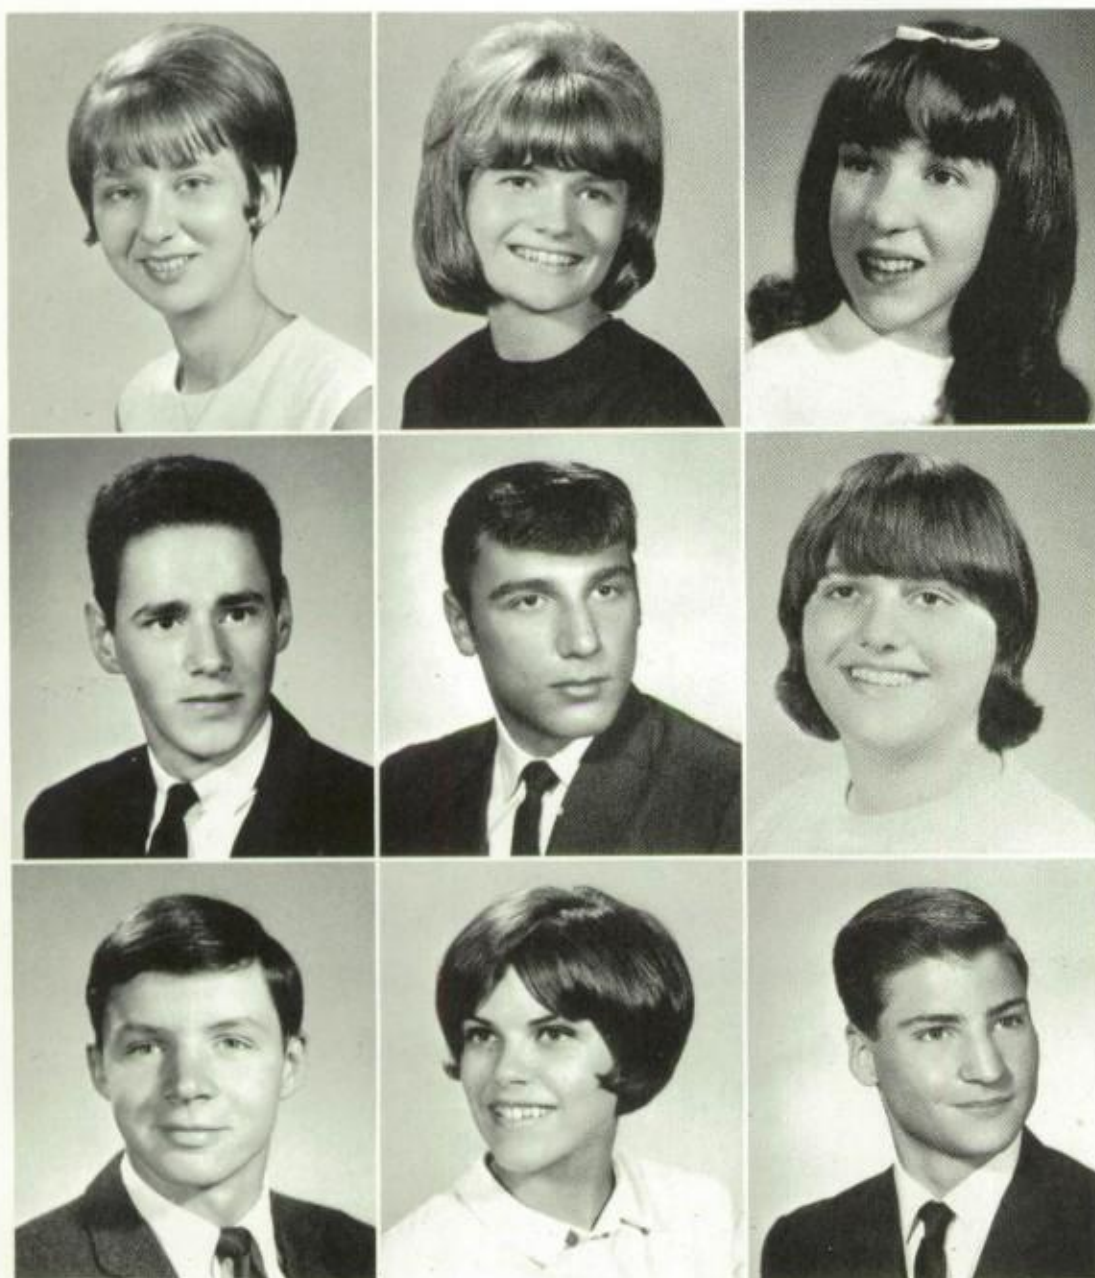

Diligent study a few hours a day shows anticipation for demanding college life.

Moundman Glenn Sowa fires his patented four-finger fastball to a batter.

Diamondmen Revive In Tournament Play

In a disappointing season the varsity baseball squad, coached by H. L. Salberg, finished with a dismal Suburban League record of 3 wins and 10 defeats. Despite returning lettermen John Posen, Glenn Sowa, John Draut, Bob Fuka, and Jim Peters, the Mustangs were unable to turn up a winning Suburban League season. John Posen, back for his fourth year with the varsity, sustained a broken jaw in a game against Evanston, thereby weakening the team's attack for several weeks.

In tournament play the Mustangs fared much better, triumphing over Morton West 5-3 for a first-round win in Illinois State District competition. In the Argo Regional tournament, the East diamondmen blasted Lyons Township with 16 runs in a 16-5 win. Bob Miller, who was the top run producer of the game, stroked a grand-slam home run in the fourth inning. Sophomore Bill Wagner chalked up a win in relief of John Draut. The Mustangs were downed by Maine South 5-3 in the Sectional tournament to be clipped out of a trip downstate. The Mustangs finished with a 13-11 record overall.

On the sophomore level Coach Doug Peterson's Ponies finished third in the Suburban League with a record of 8-5. Bart Moccio, Vince Tallerico, and Rich Gervasio starred defensively and offensively throughout the season with the Ponies.

Pitching Takes S.L. Crown for Freshmen

With an impressive 10-3 record the freshmen diamondmen, under Coach W. H. Johnson, captured the Suburban League crown.

Pitching seemed to be the mainstay of the freshmen baseballers. Joe Siemianowski and Gary Kozak chalked up most of the wins for the freshmen, with Kozak going through the entire season unbeaten.

By beating Waukegan twice during the last week of the season, 6-0 and 13-7, the freshmen clinched the Suburban League championship. Kozak took the mound for the freshmen in the first game and retired the first 20 batters in a row on the way to a one-hit 6-0 victory. Joe Siemianowski won the second game for the freshmen.

Ken Kral, Jim Adamczyk, Bob Andreas, and Norm Olenick starred throughout the season for the freshmen, who turned out a 12-5 overall record.

Weak S. L. Showing In Outdoor Track

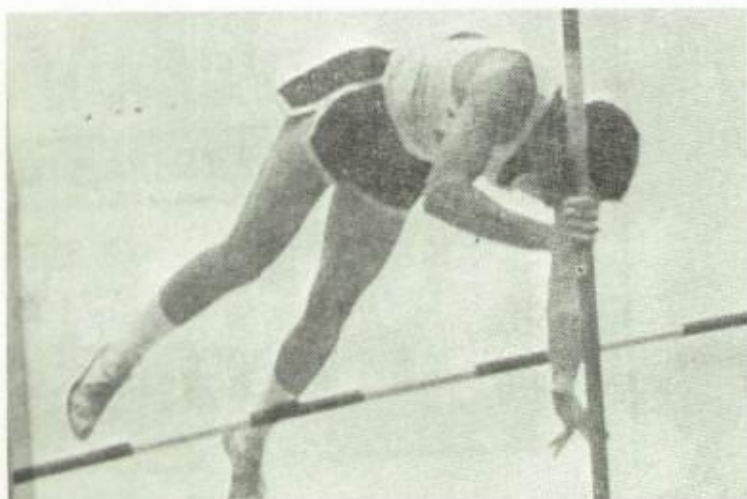

The varsity outdoor trackmen of Coach D. W. Ritchie finished the season with an unimpressive record of 1 win and 2 defeats, and a last place finish in the Suburban League.

During the season, at the annual Hinsdale Relays, the Mustangs finished in eighth place out of the 12 schools entered. Seniors Keith Grauman and Carl Togni teamed up with juniors Carl and Tony Ruzicka to capture the two-mile relay event with a time of 8:07. Rich Escutia and Mike Harrison, also seniors, took third place honors in their events, the 120-yard high hurdles and pole vault respectively. Jim Georgoulakis leaped 6 feet to take third place in the high jump. Junior Lee Michnewicz finished fifth in the discus. In the Suburban League Track Meet, Keith Grauman's first place finish in the 880-yard run in a time of 1:58.6 was the only highlight.

Tom Hrdina, Bill Stefanelli, and Rick Ekl did a fine job on the sophomore level throughout the year and are expected back to help the varsity.

Carl Togni, the Ruzicka twins, and Keith Grauman took first at Hinsdale.

Senior Mike Harrison readies his vault form for an S.L. meet.

Netmen in Cellar; Fail to Win a Match

Morton's netmen turned in a very unimpressive season with a last place finish in the Suburban League. They did not win even a single match. Said Coach W. R. Phillips, "There is no tennis culture present in Berwyn or in Cicero like there is in Oak Park, for example. We also do not have any sufficient practice areas. Many schools have fine teams because of a good practice area. However, the boys that return for Morton come back with spirit each year despite the losing record."

John Cotugno seemed to be the best singles player. Ed Selvick, Mike Biank, Bill Stadnik, George Zematis, John Holub, Dennis Mizerak, and Martin Umlauf are expected back to produce a better season this year for the varsity netmen. Jay Taska and Hal Lupinek show some potential for the varsity.

Linksters End Season With Winless Record

Coach W. A. Hedtke's varsity golf squad finished the Suburban League season with a gloomy record of no wins and twelve defeats. The varsity squad lost its first two meets by a total of only 16 strokes. During the rest of the season, the team's main problem was the lack of a unified effort. The golfers were unable to produce a good combined team score. "Two or three of the boys would have good scores, but the rest of the team didn't seem to be able to pick up the slack," stated Coach Hedtke.

Junior Jim Kawalczyk was a bright spot on the varsity level; however, he was out of the last three meets due to an infected finger. In addition to Kawalczyk, Joe Ligler, Jim Smith, and Jack Frost are expected back to aid the varsity this year.

Under the direction of Coach D. G. Hudgens and Coach J. C. Jerkaitis, the Morton harriers enjoyed a winning season for the second straight year, highlighted by a win at Waukegan in which the Mustangs made a fine showing by sweeping the first seven places and winning 15-50. Bob Nardi took first place.

In the District Meet, Carl Ruzicka finished fifth, and his brother Tony finished right behind him in sixth place. Out of 160 runners no Morton East runner finished past eightieth place. By finishing fifth, Carl qualified to run in the State Meet. Carl finished seventh downstate.

Carl and Tony Ruzicka, Rich Kraig, Gary Jowers, Bob Nardi, Mike Shields, and Rick Ekl all turned in fine performances throughout the season to aid the Mustangs. These boys combined to capture the Rich Central Invitational meet.

Jim Tabor and Lindsay Huth turned in good performances on the sophomore level.

Gridmen in Upsurge; Kristak Leads Way

Led by All-State team member Rich Kristak, the Mustangs finished with a 3-4 Suburban League record this season. Experience was the key to this year's record. Such boys as Walt Sirovy, Milan Pilot, Carl Lach, Joe Smetana, Bob Miller, Bob Holecek, Ed Freza, and Glen Ferrentino returned for their second year with the varsity squad. These boys gained valuable experience during the previous season which aided their performance under the direction of Coach W. J. Vohaska. The Mustangs racked up more points in their first two games, 47-0 against Homewood-Flossmor and 40-7 against Proviso East, than they scored during last year's campaign.

In the last game of the Suburban League season, with a win over Waukegan 20-8, the Mustangs made a fine showing. Ed Freza and Bob Miller were outstanding in the last game, as well as during the entire season. Joe Smetana was valuable as a kicking specialist, as well as an end, throughout the season.

Four Mustang players, Milan Pilot, Walt Sirovy, Bob Miller, and Rich Kristak, were chosen as members of the 1966 Suburban League All-Star football squad. Ed Freza and Bob Bostrom were given honorable mention. Rich Kristak was also given the Mc-An Award, a highly-coveted award.

End of Season Surge Helps Ponies' Record

Morton East's Ponies produced a 3-4 Suburban League record under the direction of Coach H. L. Salberg. This record is especially important because as freshmen, these boys did not win any games.

The Ponies got off to a slow start, but they progressed steadily throughout the season and won the last two games, against Oak Park 9-0 and against Waukegan 13-6. Against Waukegan, the last game of the season, Bill Rude scored two touchdowns.

John McCarley and Tony Pilarczyk performed well for the sophomores all season. Bill Rude was the highest scorer for the Ponies. The sophs ended the season in a tie for fourth place.

Soccermen Produce Winning S.L. Season

Led by All-Staters Andre Bober, Flavio Cipriani, and Don Rinaldi, the Morton soccermen finished the season with a 5-4-2 final overall Suburban League record, highlighted by a 2-0 win over Evanston in which Flavio Cipriani scored both goals. Cipriani was the hardest to stop while Don Rinaldi was the highest scorer with nine goals for the season. Cipriani followed with six goals.

Juniors Mike Fiala and Ed Paulis were regulars on the varsity squad. Stan Stopka, a sophomore, was also up on the varsity team.

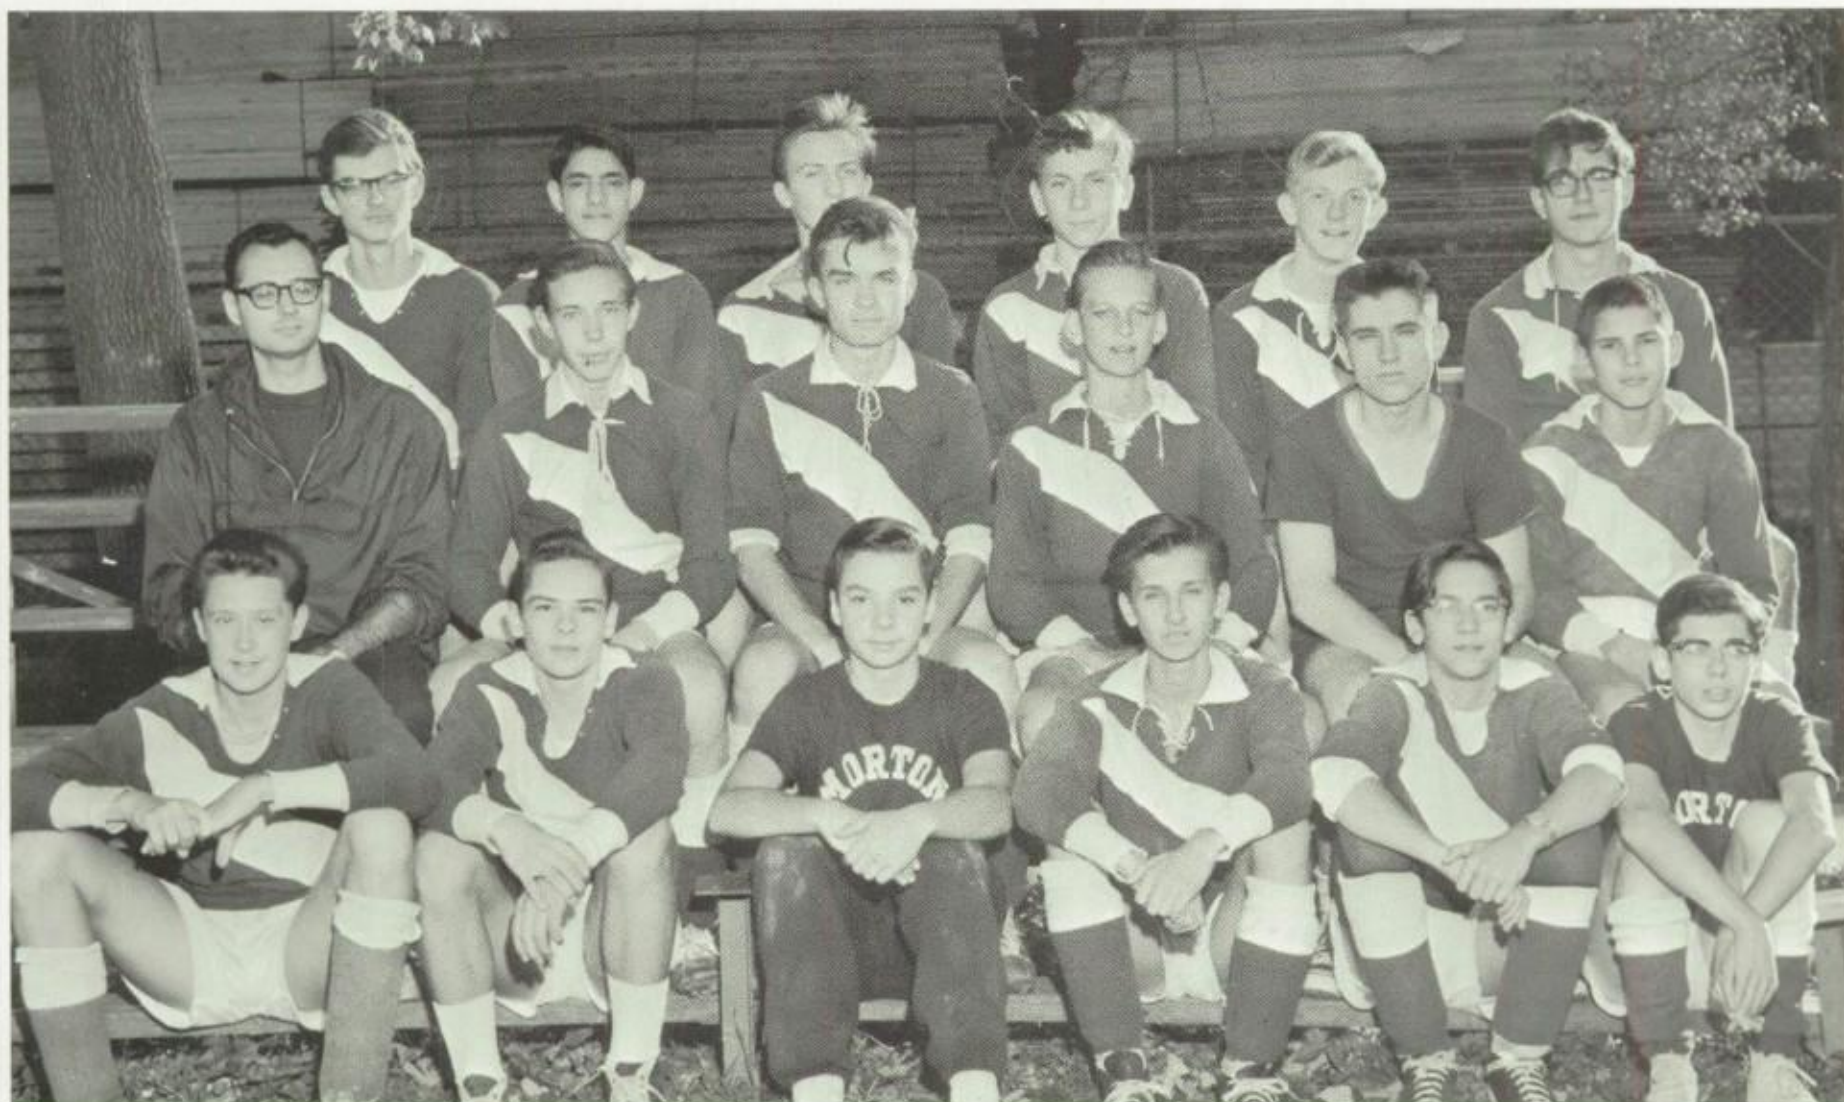

As for manpower, Coach A. Kleinaitis stated, "We had quality but no quantity." Coach Kleinaitis hopes for more boys next year.

Cerny Wins Seventh In District Meet

A small and limited program seems to be the nemesis of the gymnastics department at Morton. Coach Gene Swanson was faced with the problems of a poor turnout and lack of interest on the part of the student body. Lacking junior and senior members, the varsity used several sophomore musclemen on the varsity squad as they finished in sixth place in the Suburban League with a record 1-5. Morton also participated in the District meet at the end of the season. Although the team placed low in the meet, one bright spot was Laddie Cerny, who took a seventh place in the all-around event composed of the side horse, high bar, parallel bars, and still rings. He also took a tenth place in the side horse competition. An additional highlight to the Mustangs' season was the performance of George Weir, who was unable to finish the season because of an arm injury.

It will be difficult for Coach Swanson to build up a team next year, since most of the varsity men were seniors this year. He will have to start rebuilding for the '68 season. The possibilities of Morton promoting interest in gymnastics look bright, however, with the effort of Coach Swanson to establish a gymnastics program this summer and with the addition of badly needed facilities in '68.

Cagers Finish Third Despite Weak Start

A slow start marked the Morton East varsity this year as they lost their first five games of the season. William Fremd High School provided the opportunity for the squad to secure their first victory 70-44. After the Proviso West Holiday Tournament, the Mustangs won four of their next eight games.

The Mustangs then took three straight against Evanston, Highland Park, and Oak Park. Morton played one of the finest games of the season against undefeated Waukegan and led in the scoring column for $3\frac{1}{2}$ quarters, only to yield to a Bulldog rally in the last two minutes. The final score showed Waukegan winning 62-54. After Waukegan came a victory over New Trier, the first for Morton against New Trier in six years. The Mustangs then ended the season with a thrilling 71-69 decision over Niles East, the winning basket coming with 9 seconds left in the game by center Jack Adams.

Along with Adams, regular players on Coach Don Hudgens' squad included Jim Benka, Joe Cirincione, Jim Bolzinger, Bob Bostrom, Ziggy Tauginas, Ron Nykiel, and Frank Pferschy, team captain. Pferschy was high scorer on the team with 158 points, and finished 11th in the Suburban League scoring; Adams finished 19th, while Benka ranked 24th. Pferschy also was named to the All-Suburban League squad. Morton finished the season with an overall record of 11-11, while ending up in a tie for third place in S. L. standings with an 8-6 mark.

Sophomores Rally Near End of Season

Two freshmen, Alan Schnulle and Mike Bartowski, were brought up to aid Coach Bell's Ponies. Their efforts, along with those of Joe Siemianowski, Gary Kozak, and Jim Tabor aided the cause and helped the team achieve a 4-10 Suburban League record, good for a tie for sixth place. One factor contributing to the team's problems was the loss of sophomore Ziggy Tauginas to the varsity squad. Coach Bell, although not entirely satisfied with the team's record, did not count the season as a total loss. "The boys gained playing experience and improved as the season progressed. There are several good freshmen boys coming up, too."

The Frosh A team headed by Coach W. Johnson, finished like the sophomores, in a tie for sixth place with a 2-8 Suburban League record. Perhaps the only bright spot in the frosh Basketball season was the second-place finish of the Freshman B team in the Suburban League basketball standings. The B squad finished with an overall record of 10-2.

Indoor Tracksters In Winning Season

Under the supervision of Coach D. W. Ritchie and Coach J. G. Steinmetz, the Morton indoor track squad turned in a record of 4 wins and 1 defeat. In dual meet competition, the Mustangs triumphed over Downers Grove North, Riverside-Brookfield, Maine South and Glenbard East and lost only to Thornton.

The most decisive dual meet victory was against Riverside-Brookfield, whom the Mustangs beat by a score of 48-25. Jim Mucha and Joe Smetena took first and second place respectively in the high hurdles. Bill Stefanelli and George Lentek finished one-two in the 50-yard dash. Tony Ruzicka finished second in the 880-yard run while his brother Carl also took a second in the mile run. Stefanelli, Mucha, and Smetena teamed up to take the first three places in the low hurdles. Brian Amendala took firsts on both the pole vault and the high jump. Lee Michnewicz and Wally Sirovy swept second and third place respectively in the shot put.

Grapplers Nosedive To Seventh in S.L.

Without a victory in the quarter finals, the Mustang wrestlers ended the current season. The Mustangs finished seventh in the Suburban League, followed only by Oak Park. Mr. R. L. Mann, varsity coach, attributed the varsity's poor overall season of 6 wins and 10 losses to the lack of experience on the team.

Only four of the regular wrestlers were seniors this year. A few outstanding varsity wrestlers were Rich Kristak, a senior with a 16-2 record; Andy Strompolos, a junior who scored 14-3 for the season; and Terry Conway, a sophomore with 9-3 record. An important event in the rather gloomy season was the victory of four Morton grapplers at the Quadrangular meet: Conway, Strompolos, Kristak, and Brejla.

Despite the varsity's unbecoming record, Coach Mann is quite optimistic about his upcoming varsity team. This year's sophomores finished in a tie for sixth in the Suburban League, and ended their season with a 2-5 record.

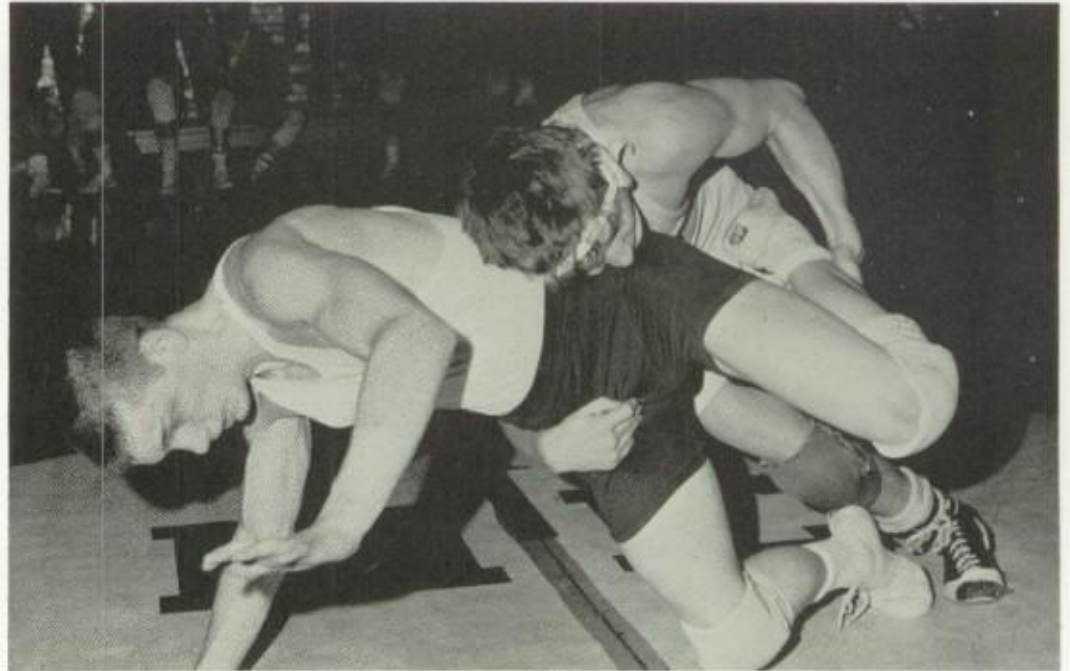

Sophomore grapplers who excelled were led by Tom Kratochvil, 180-pound wrestler who finished with 11 wins, 0 losses, and 1 tie. Kratochvil received his only tie against Evergreen Park High School. Gary Pickard, a 145-pounder, ended with 5 wins and 5 losses. Rich Perez, 112-pounder, finished this season with 5 wins and 7 losses.

Dan Jamros Sixth In Downstate Meet

This year the varsity swimming team under Coach J. C. Jerkatis enjoyed a winning season as they ended with an overall record of 7 wins and 6 defeats placing sixth in the Suburban League, the finest showing in many years for the swimmers.

Leading the mermen on their aquatic feats was Captain Dan Jamros, who qualified for the Illinois State High School swimming finals. Jamros, swimming the 50 yard free-style event, qualified fifth during the state preliminaries with a time of 22.9 and finished sixth in the state finals with a time of 23.2. Diver George Lewis, who consistently placed high in the league meets, made it as far as the state preliminaries.

The 200-yard medley relay team of Jim Behensky, John Taska, Larry Brownfield, and George Sloat set a new school record of 1:52.7. George Sloat also set a record in the 200-yard individual medley of 2:25.4. A new record was set in the 100-yard backstroke by Jim Behensky with a time of 1:04.0.

New Club Meeting for Modern Dance

Under the supervision of Mrs. Gronquist, Modern Dance Club had newly set-up club meetings. Instead of performing only techniques, the girls were divided into groups to work on dances which were later shown to the rest of the club. Through good attendance and participation in several dance

shows, it is possible to earn an M after about three years. The major event of the year, the Modern Dance Concert, was held in June. Mrs. Gronquist stated that it was a big hit once again due to hours of practice.

Track Timers Are Recognized as Club

MSGA has finally recognized the Track Timers as a club. The timers, besides keeping score at the meets, help to boost the spirit of our team. Girls who have been in the club for a year get a silver

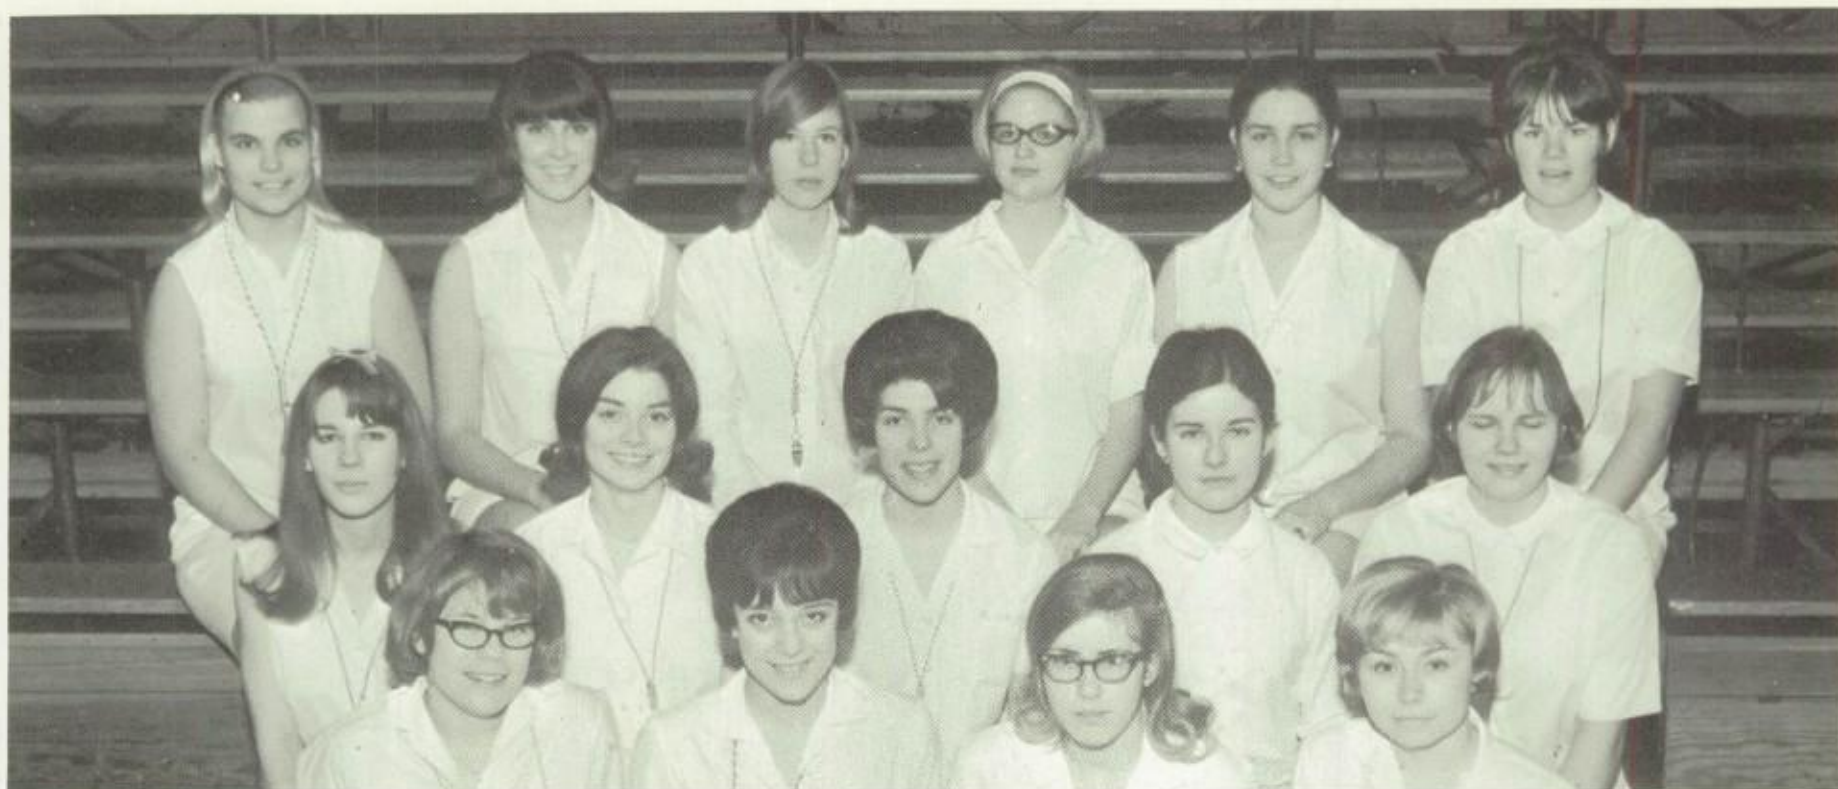

charm in the shape of a track shoe. The standard uniform for this group is a maroon skirt with a long-sleeved white blouse.

S. Potsic, P. Ruda, and L. Hellwig pose in good formation in their Spring Concert dress.

Leaders Are Given New Club Advisor

Under the new advisorship of Mrs. Lesavoy, the Leaders were recommended by their freshman gym teachers. After a year of training as sophomores, these girls are ready to assist gym teachers provided that they maintain a good scholastic standing. These specially-trained girls help the teacher take roll, organize games, and act as referees.

Girls are given a chance to practice their skills after school.

Charms Given to Deserving Tumblers

For the first time, this year tumbling charms were given out to the girls who have been in the club for four years. A girl can also get an **M** after earning 500 points from properly performing various stunts. This procedure usually takes about three years. Membership offers the girls an opportunity to develop skills and coordination as well as to learn

new techniques and stunts. Membership in this club, which is under the supervision of Mrs. Herda, is open to anyone who enjoys tumbling. Tumbling Club attracts many girls who aspire to participate in cheerleading or who hope for a future in physical education. Several of the girls have shown an interest in entering the education field.

New GAA Advisor

Under the new direction of Mrs. Lesavoy, GAA gave girls a chance to practice gym skills outside of the regular PE class. The girls played basketball and volleyball, and gained swimming skills. This year a special volleyball game was played by qualified members against the women PE teachers. Besides participating in team sports, the girls have an annual pencil sale and a float in the Homecoming Parade.

Hold March Banquet

To honor the swimmers and the timers, a banquet was held in March. At the banquet, graduating Swim Timers received pins.

Again, Swim Timers, who practiced every Saturday, boosted school spirit at the swim meets held during the year. The girls donated their services by accurately timing the varsity and sophomore swimmers. The girls united their appearance by wearing red vests and shorts.

Girls Make Routines To Popular Songs

Pom-Pom routines to "Wipe Out" and "Music to Watch Girls By" were some of the new activities of the sophomore squad. Besides practicing and perfecting old and new cheers, the squad placed first in final competition at camp. By an accumulation of a certain number of points, a cheerleader can earn her M. The girls must maintain a C average or better to stay on the squad. The captain this year was Marlene Tangorra.

Morton Experiments With Frosh Squad

As an experiment, Morton introduced a freshman squad which proved to have great value and which was a success. Experience as a cheerleader in grammar school is one of the requirements for trying out. Also a certain amount of agility and endurance is needed. These girls worked about two hours every Monday and Wednesday on developing their cheers. Due to the success of this year's squad, a freshman squad will be maintained once again next year. Sandy Zielinski was chosen as captain.

Freshmen Cheerleaders—Top Row—P. Lyons, D. Flasz, M. Toschak, K. Beckus, C. Kórhorn. Bottom Row—D. Caposto, S. Zielinski, P. DeChene, R. Yahner.

Varsity Cheerleaders Win Coveted Trophy

Varsity cheerleaders honored Morton by the acquisition of the Proviso West Trophy. In order to win this trophy, the girls had to compete with cheerleaders from sixteen suburban schools. With their boundless enthusiasm, the cheerleaders also kept up our team's spirit during home as well as away games. To be eligible for the squad, the girls have to perform three different kinds of jumps and possess acrobatic ability. Tryouts are held every year, and after the squad is chosen, the girls go to camp where they learn cheerleading fundamentals. This year, all the squads were under the able direction of Miss Nevaril. The varsity captain was Gayle Caposto.

Varsity Cheerleaders—Top Row—J. Picco, L. Toman, G. Rempert, L. Bishop, J. Curtis. Bottom Row—C. Opalecky, C. Minor, G. Caposoto, C. Marik.

Girls Attend First Wrestling Banquet

The girls in Wrestling Pep Club were invited for the first time to a Wrestling Banquet. Other activities of the club include sponsoring of a play-night and a bake sale. In an effort to promote wrestling enthusiasm, the Wrestling Pep Club also appeared with our wrestlers in an assembly. The girls,

accompanying our wrestlers on the bus, attended away as well as home games. By participation in these activities and through regular attendance, the girls can earn points toward an M. After a year's membership, the girls get a charm in the shape of a red M. The advisor was Mrs. Arnold.

Wrestling Pep Club—Top Row—V. Swoboda, P. Drazga, J. Haremza, L. Taroll, R. Lesak, H. Marovitch, M. Guminski, G. Wolski, C. Johnson. Second Row—Mrs. B. Arnold, advisor, K. Papadakis, M. Richter, E. Kapes, M. McNamara, P. Vergulak, S. Zielinski, M. Harast. Bottom Row—R. McAlister, F. Romans, K. Rice, M. Taroli, D. Kuizinas, M. Diorio, W. Lettier.

Editor States Goals, Expresses Gratitude

Another school year has come to an end, and it has meant many things to many people. To the freshman it was a completely new and exciting experience. To the sophomore it was the beginning of being an experienced high-school student. For the junior this was the year he received his class ring and attained the honored rank of being upperclassman. But perhaps this year has meant more to the members of the senior class than to anyone else.

Seniors have achieved the peak in their high school career. They have striven for four years to gain a diploma. Some of the work was indeed a challenge, such as their English electives, social science electives, ACT and CEEB tests, and for some, college courses. But it was not all hard work; enjoyment was also a part of the educational experience. The moments of fun will probably be remembered more than those times of difficulties. There was the homecoming parade and game, the last they would experience as high school students, the football games, basketball games, sockhops, playnights, cap and gown measurements, prom, class night, little commencement, and graduation.

Through this book we hope to retain some of these memories and keep them alive and vivid throughout the years. We hope that those who avail themselves of it will enjoy this history of the past school year.

I wish to express my special thanks to Mr. Gus Jackson, who guided the members of the **Mortonian Annual** staff so competently through the year and who counseled us with his excellent advice. Also a special thank-you to all of the editors and their assistants, who played so vital a role in the production of this book and who worked so industriously contributing their time and talent to the school. The staff and I also wish to thank the administration, faculty, students, photographers, and publishers for their kind cooperation in helping to compile a memorable yearbook.

Mary remembers the good times and the hard work of the past year.

Students pass through the doors every day, but one day they leave as high school students for the last time.
